Class Song of 1975

Graduation time
Has come around again.
We're leaving but I hope
That we can still be friends.

All the happy times
I never will forget.
They were the moments when
We thought we could just live and let.

Homecoming games that we always won,
The laughter in the halls just before homeroom.
The questions right before some exam,
And looking forward to that sad graduation.

Happy times we'll keep;
Relive until we die.
But now the time has come and
We must say Good-bye.

Lyrics by Roxanne Combs
Sung to the tune of
"Brian's Song"

Class Song of 1975

The time has come for us to leave,
We'll do our best to succeed,
We know that you've done all you can
To lend a guiding hand,
And so farewell.

It's hard for us to understand
That high schools come to an end.
We'd like to stay here through the years
But the rising sun will move us on.

Empty are the classrooms now
We've made our graduation bow
We've said "good-bye" to those we won't see again
Sadly saying "So long" to old friends.

So, good-bye to old friends,
Good-bye to old friends,
Good-bye to old friends,
And so farewell.

We've waited for that final bell,
The faces that we've known so well,
Our memories will never die,
As we pass on by . . . through fields of joy.

Lyrics by Holly West
Sung to the tune of
"Fields of Joy"

Class of 1975:

Dear Friends,

This will be my last message to you as your Principal. I could not begin it without saying what a joy you have been to me. Your class is a fine one and one that will be long remembered at Westminster High.

As our school doors swing outward to you in your exit as high school students, so doors will be swinging for the class of 1975 in high schools throughout our land. You will be a part of one of the largest classes of high school grads that our great country has ever produced. So, also, to this large class of 1975 will be presented one of the largest opportunities ever set before an energetic, well-trained and eager group such as yours. Will you measure up? This is the question!

What is this "largest opportunity?" It is simply this — a staggering proposal: YOU WILL BE A PART OF THE BEST GENERATION WHICH ALL OF WORLD HISTORY WILL EVER HAVE PRODUCED — OR, YOU MAY POSSIBLY BE THE LAST!!

Within the next decade you will be firmly situated in business, profession, home and community. It will be your generation who will be our City's, our State's, and our Nation's leaders. How will you lead? Will you accept the challenge of leading? Will you give of your substance, your service and yourself to those causes which will be meaningful and lasting?

Knowing you, respecting you and with a high regard for you, I'm betting you will be a part of this BEST GENERATION of all history. Good fortune to each of you and may Heaven pour down its blessings and wisdom upon you and your generation.

Sincerely,

W. Norris Weis

The Hoots, afternoon announcements, little blue slips . . . the Administration does it all. They run the school as if your education depended on it, and it does. Anything that involves WHS before, during, or after classes, look, and they've helped somewhere along the way.

They've seen their first full student body out the doors and into life, and they're just getting started.

Guidance Counselors

If you need something done right away, ask a busy man.

Or, a busy woman, we have both in our Guidance Dept. Individual help to over 2100 students by only five counselors is some task, particularly when that help includes schedule changes, job placement, SAT's, and the all important college selection. It's a lot now, what happens as the student body increases in the future? Good question, but the Guidance Dept. will come through.

Mr. Sullivan and the other math teachers say algebra. But then they see math in just about anything. Science is a branch of knowledge or study dealing with the explanation of natural phenomena.

And in the Science dept., students learn of the simplicity and complexity of the natural world, from the things that were new yesterday to ones that are billions of years old. Here they learn about everything from the ameoba to extra terrestrial life, basic physical science to nuclear physics. The subjects are varied, but the goal is the same: a basic knowledge of natural phenomena — what makes the world go 'round.

The Fine Art Dept. has a two-fold task: teaching the appreciation of art and providing a chance to create it. Almost anything you can imagine (and some things you can't) come from the art rooms accompanied by the music drifting from the instrumental and vocal music classes. And although some rather dubious sounds and sights occasionally escape from those rooms in E section, you can be sure everyone is having fun.

Applied Arts are a material part of a practical education. While learning to work with hands and machines, some strange objects come out of the shops. And it may seem early, but pre-schoolers are coming to WHS now where they learn as much about "big people" as the child development students learn about children. Cooking and sewing are included in the Applied Arts as well, with as much success.

Throughout the dept. students can be seen who are becoming something we need more of in this world — people who can do things for themselves.

Work Study is the place a student learns how to be a productive employee. The teachers in this department certainly help the students accomplish this goal. Somebody once observed that a restaurant near school would do a great business. Not at WHS. Our enterprising cafeteria staff operates no less than three lunch lines; the regular hot lunch line, the Soup Line, and the Owl Line. Any one of these will give you a hot lunch and something you haven't seen for a while — change back from your dollar.

Ever stop to wonder how the building stays so clean? Probably not, but if you did, you'd realize how big a job the custodial staff has. Not only do they clean the building, but they also mow the grounds, clear snow, replace light bulbs, not to mention locking over 100 doors every night.

Student Senate

The Student Senate, led by President Roger, does a roaring business. There was the faculty tea, Homecoming, Constitutional Revision, United Fund, Christmas Project, Breakfast Proposal, and lots more. Everyone left a little crazier than when they arrived, but everything got done.

This parliamentary procedure is beyond me.

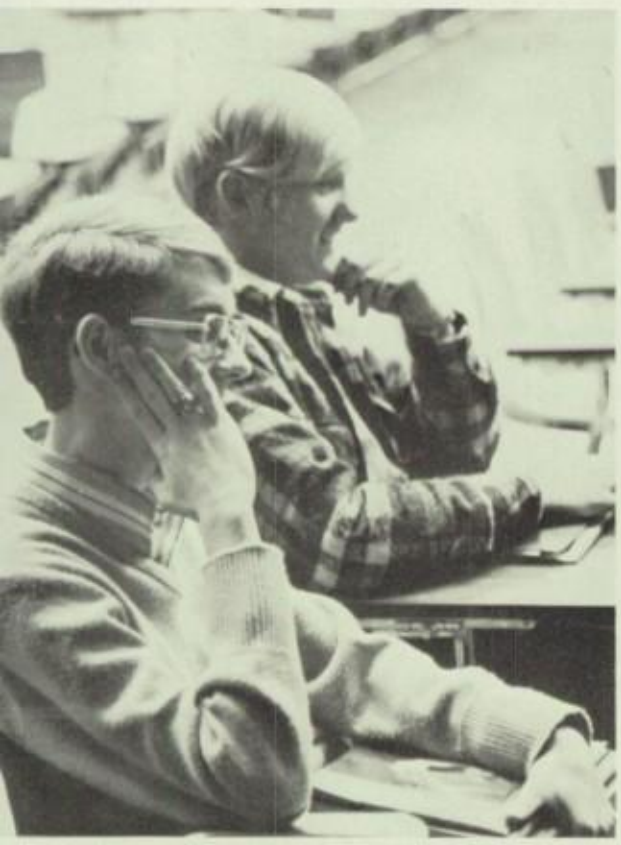
Marshalls

The Marshalls are here to meet, greet, and guide those who visit WHS. If anyone knows this school from closets to corridors, it's these students. Their duties range anywhere from ushering public functions, to giving out Independent Study Cards. If ever lost, hunt for someone with a white badge, they're sure to marshal you in the right direction.

And I think we should . . .



What do you do when you get lost?

Where did you say we are now?

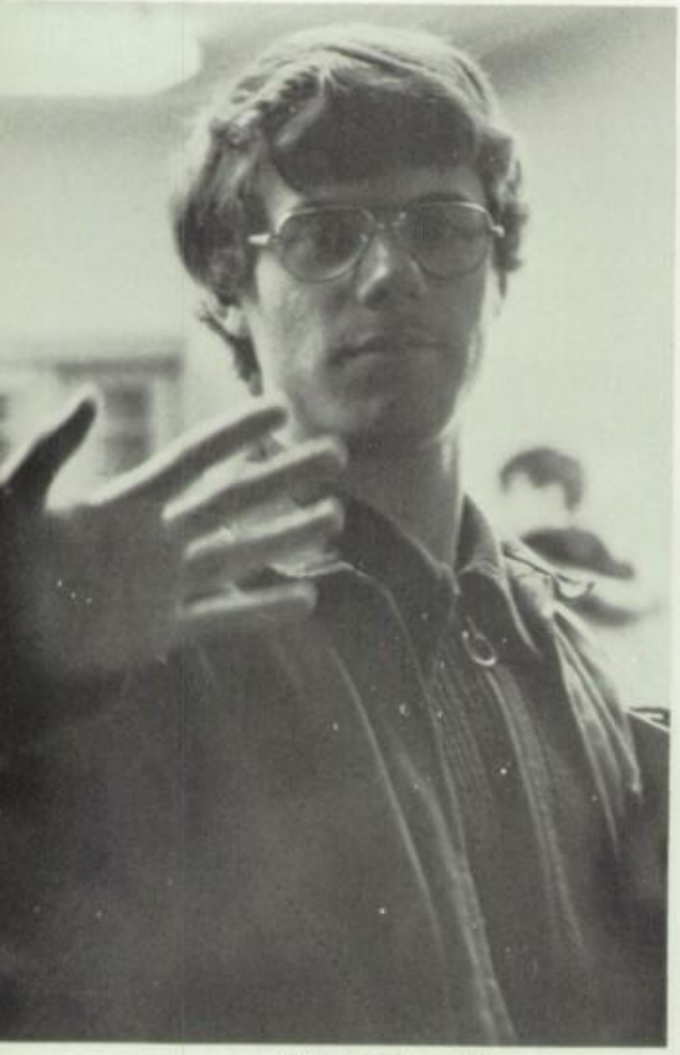
Key Club



Hi, HAND-some!!

Headache # 02357

With activities in almost all facets of school, the Key Club is one of the best known organizations at WHS. What with Kapers, concessions, the Sports Formal, Carroll Haven and Conventions, the Key Club is a busy body. Ask the Exec Board. After Key Club, other organizations just don't stack up.

You don't need to help me with my coat!

Gum wrapper jokes have Gary beat any day.

The WHAT Club?

Health Careers Club

The biggest bunch of operators in the school is the Health Careers Club. But you don't have to be a future surgeon to be a member. Nurses, GPs, and dentists are also accepted. HCC may not qualify you for med school, but it's a start.

Student Action for Education

Sports Formal

Won't this night ever end?!

Who said YOU could touch MY coat?

What could be more exciting than playing football and soccer games under the lights? Or scoring the winning goal in the last twenty seconds? The Sports' Formal proved to be just that. Sponsored by the Key Club and featuring the band, "Time of Your Life," this year's Sports' Formal proved a tremendous success. Roses were presented to Mrs. Head, and most certainly the highlight of the evening was the crowning of the 1974 Fall Sports' Favorite, Trudy Seipp by Coach Jim Head.

Oh you SLY devil!

Hey, what happened to the music?

Now, if I just don't step on his toes!

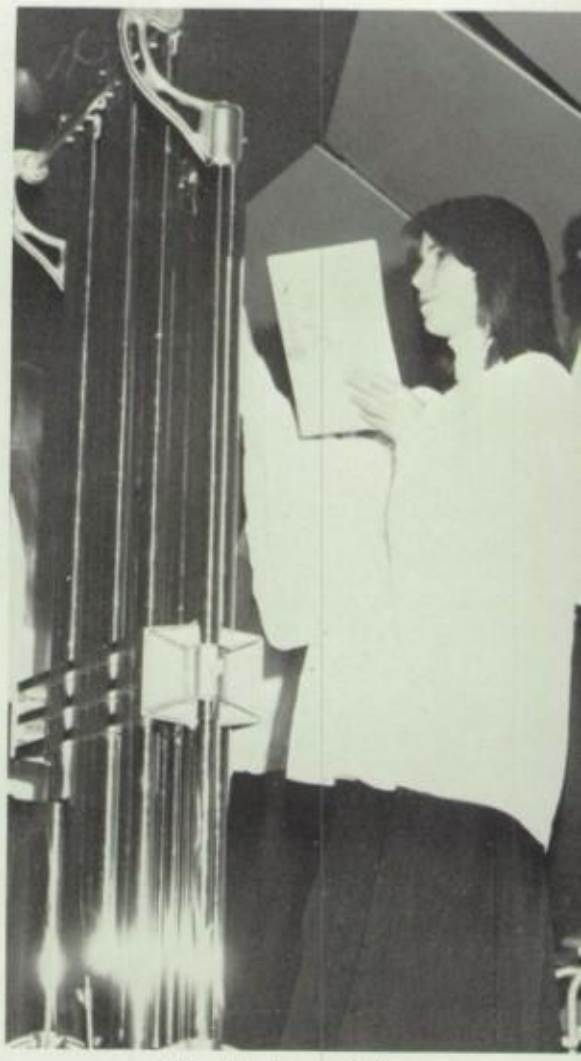
Christmas Festivities

Who invited YOU?

Behold, unto us a child is born.



Ring Christmas Bells.

What would Christmas be without the WHS Christmas Chorus?

Room for one more?

Is there a parade in Bethlehem?

Through the combined efforts of the Drama Department, the Chorus, and the Band, this year's Christmas program proved enjoyable for all. A unique Christmas comedy entitled "A Christmas Angel" was presented by the Drama Department, followed by a slide show. The Chorus, accompanied by the Stage Band, showed their superb talent with a large selection of holiday songs. Who could leave school without the holiday spirit after such a fantastic performance?

Come fly with me!

Who said snowball battles are against school policy?

Formal

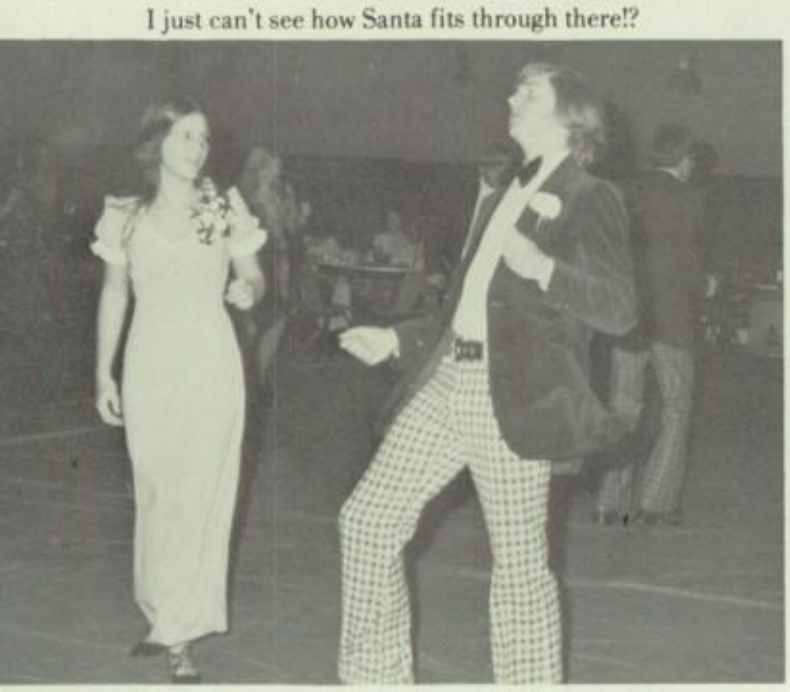
What is Christmas? It's tinsel and co'-ored lights, snow and Santa Claus, and the Christmas Formal! Perhaps the start of a tradition, for the first time in the history of the new high school, we have a Christmas Formal. Sponsored by the Westminster High School Band, students danced to the music of "Bittersweet." What better way to spread Christmas cheer than with a dance?

So *this* is a formal.

I'm ready, now where's the music?

I just can't see how Santa fits through there!?

How's your love life?



Who says the "funky chicken" is out of style?

I wonder what's so funny?!

Chorus

Here are Daddy Sell's real most musical, the Chorus. Even Hallmark can't beat this Christmas card. Many times the Chorus comes out and mesmerizes the audience with masterful music. And even without Daddy's explicit expressions, the group smiles as it sings.

Chemistry Lab Aids

Projection Club

Everybody should be in Projection Club, you get to watch television, movies, listen to records, and even get out of class. Westminster High School Concert Band

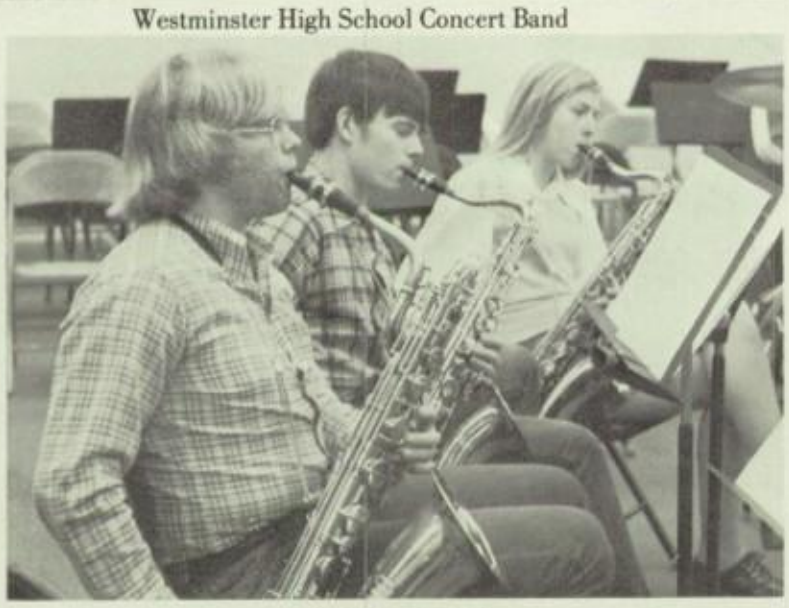
State Band Reps: Linda Huber, Larry Glick, and first alternate, Debbie Spencer.

And he says he really loves her.



And they're off!

Concert Band

Concert Band is the Marching Band transformed. The same snazzy uniforms, but instead of the complicated marching maneuvers, you hear complicated passages of Offenbach, Gershwin, and Iwakawa. When arrayed on the stage they make an impressive sight, and they make an impressive sound that everyone can enjoy, especially the players.

Keep on tooting.

Hi Guy!

Vice-President Gary does the dirty work.

Stage Band

The Stage Band is composed of only the best members of the Concert Band. Auditions are held, and only a few of the select players are chosen. Stage Band puts on several concerts, and everyone has fun. Talk about practicing often, there's always a note on the board in the band room for Stage Band practice at about 26 o'clock yesterday.

Oh, go blow your horn!

I can even play chopsticks.

Now, that's Italian . . .

Majorettes

The Owl Band's terrific twirlers added another touch of sparkle to Owl half-time shows. Take a new advisor, new tuxedo jackets, and new routines, blend with an all new team, and there's your recipe for majorette type food for the eyes, which goes well with the Key Club's food for the body.

Rifle Corps

Twirling rifles have become a regular part of Owl half-time activities, and after this year's great team, we know they'll be back next year. You might think it's dangerous out there on the field, but we haven't lost anyone yet. The time to be careful is when they're practicing in the hall.

Just think — if this was loaded . . .

Oh NO! Here comes the rain!

Color Guard

The old stand-by of the marching band was here as the Color Guard. Always the leaders of the pack, the Color Guard insured that, if you didn't know who was coming by in the parade already, you could find out easily enough.

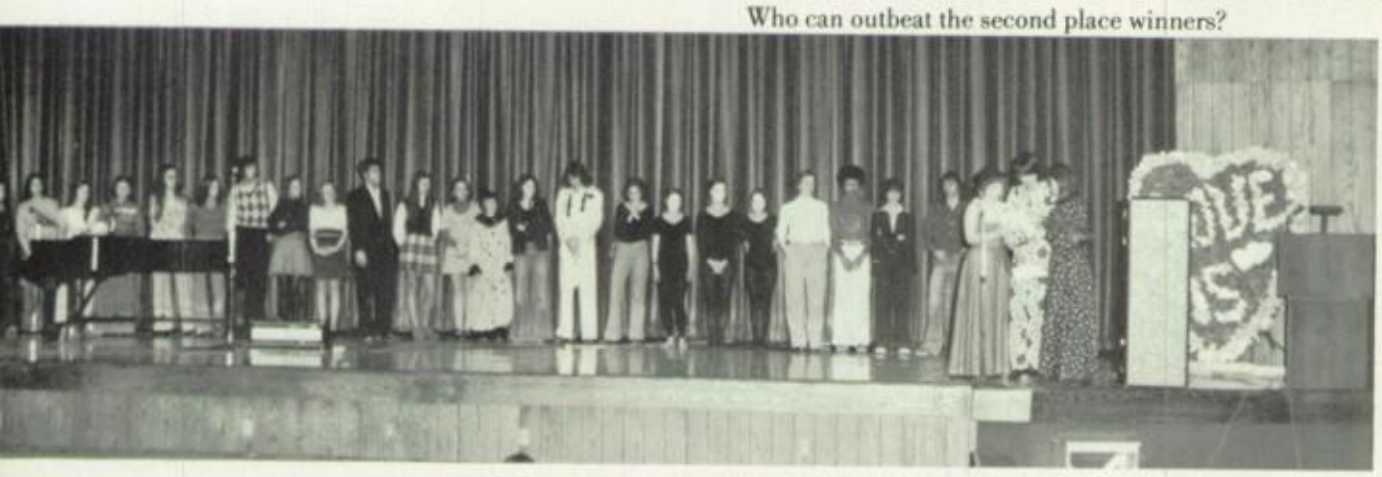
Valentine Festivities

Don't we look cute?

Who can outbeat the second place winners?

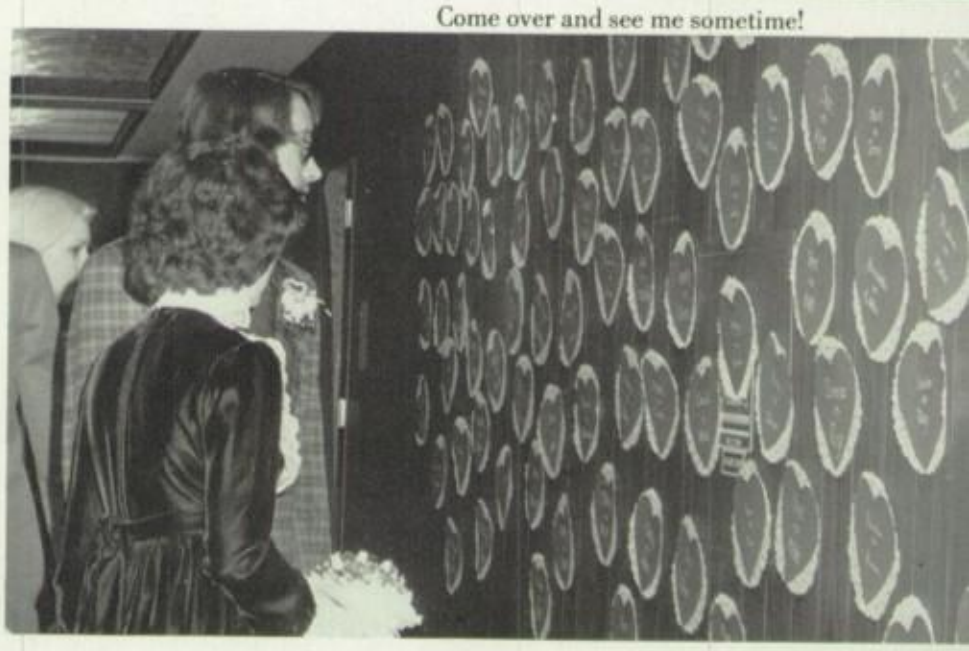


Our 1975 Talent Show

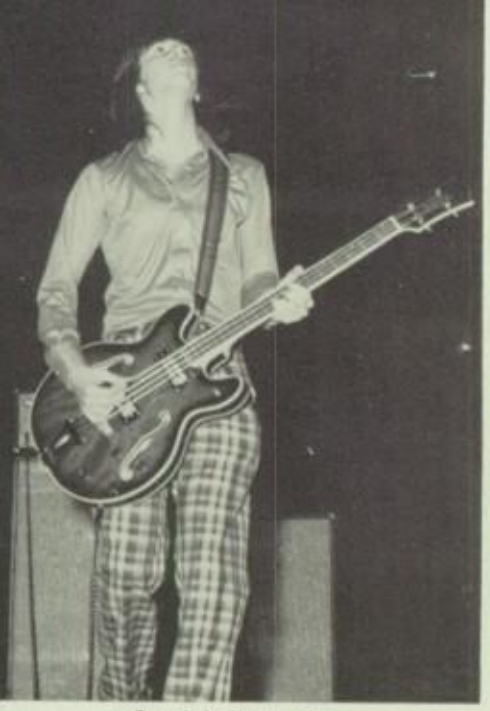
And now ladies and gentlemen — the envelope.

Come over and see me sometime!

There's a roach in the punch.



Where's us?



Lord, help me win.

What do you want a picture of us for?

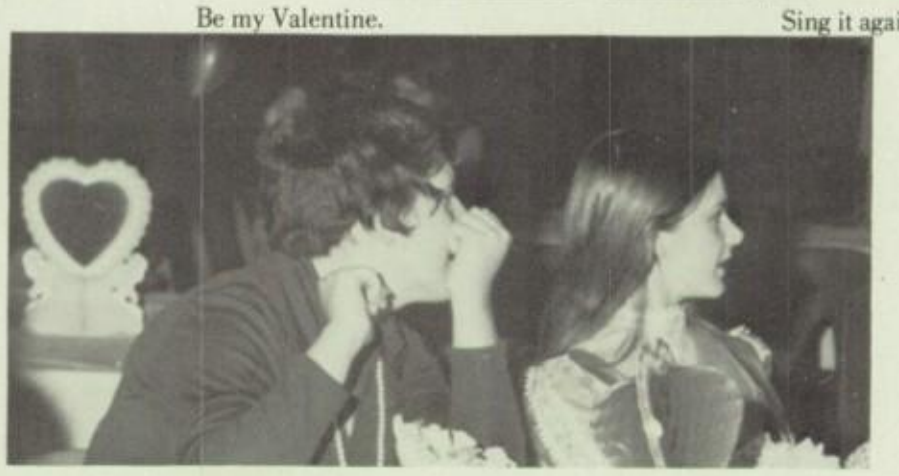
Oops, I forgot the words.

The pounding piano man gets first place.

Be my Valentine.

Sing it again, Helen.

What's so interesting back there.



Look at that cute one, Gabby.

The whole Valentine Week was a very successful one this year. The Billy Dixon Trio, entertaining at the dance, was obviously a music-making band, rather than a money-making one. The Talent Show, at a full hour and a half, was too short. Featuring the nimble fingers of John Fisher, the Newspaper staff managed to bring us the best of our own WHS talent.

Not another picture of Mr. Sexton!

Is this called TYPE casting?

GEEB's at it again!!

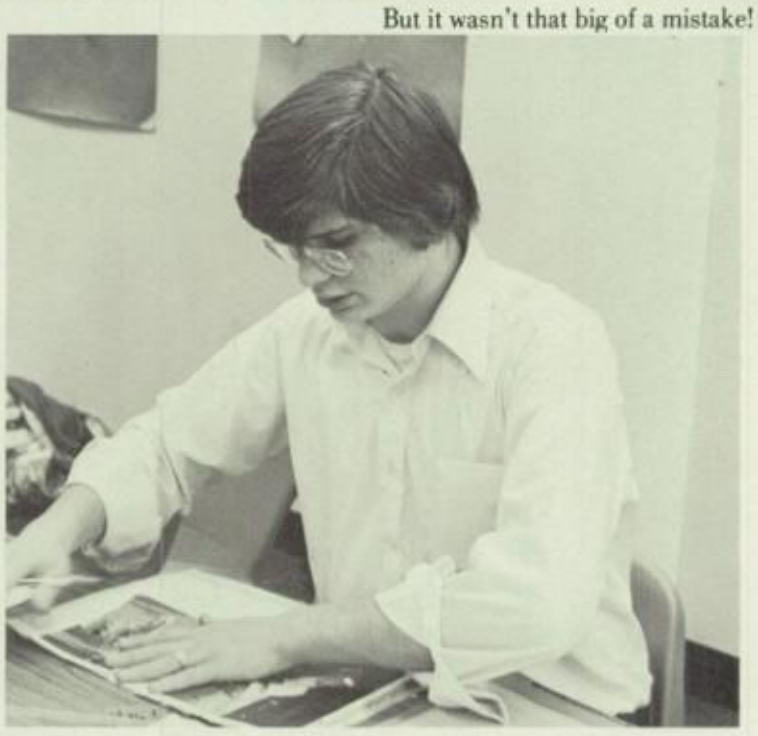
Yearbook

The largest collection of wackos this side of the moon belongs in the Yearbook office. Deadlines, lousy croppers, and lousier captions fly through the air and rebound from a board of graffiti and walls of bulletin boards. Basements, various offices, cafeterias, all make meeting places for the SNAFU crew of the 1975 Owl Yearbook.

Susan has a hard time staying on key.

But it wasn't that big of a mistake!

To caption or not to caption, that is the question!



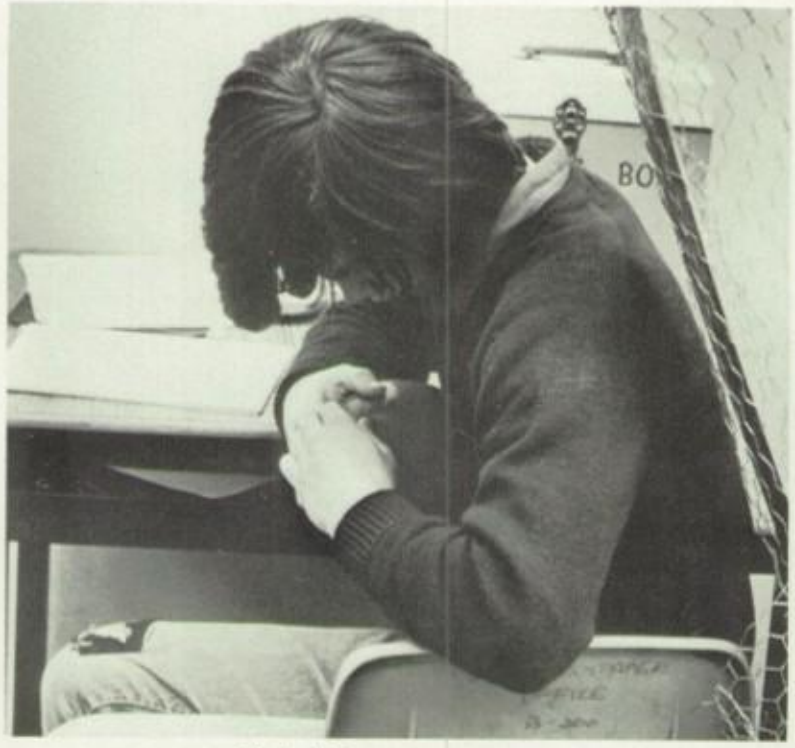
Scott, you're putting fingerprints on the candids again!

Kevin, our cupid.

Paul out on an assignment.

If we make this deadline, it'll be a miracle.

Front Row: Adv. — Miss Kulnis, S. Berkowitz, H. Sprowl, B. Zepp. *Back Row:* K. Utz, S. Benzil, D. Tesch, C. Barber, B. Shipley, T. Jimenez, D. Spencer, C. Harner, G. Matulonis, J. Peters, P. McCourt, P. Welliver, B. Coffey.



Nobody loves me anymore.

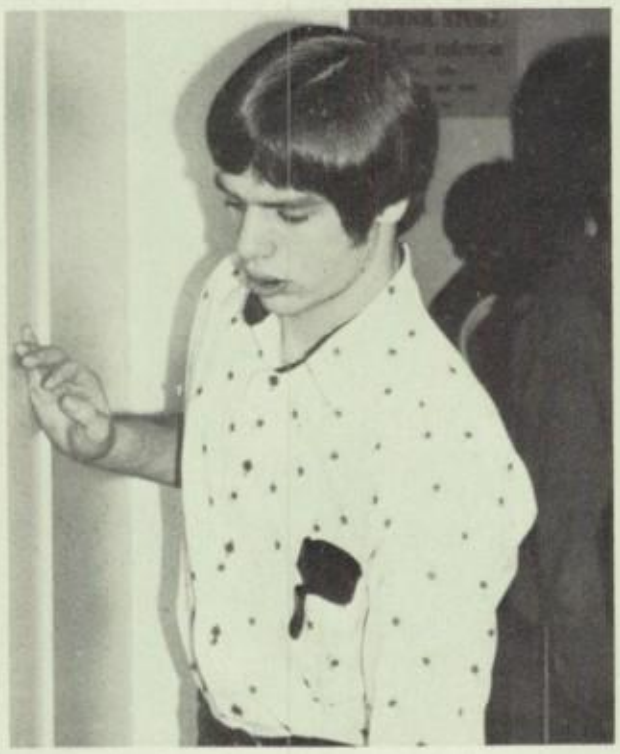
Newspaper

hi boss
deadlines come
for another year
gonna miss all my
staff buddies even
heavens and mergatroid
but memories
will linger
writing stories voice
of editorials
paste up layout
new advisor trips
to the times
athletes feats paper chains
parties with cake huh, boss
it wasn't easy
organizin' school talent
decoratin' for final valentine's dance
so everyone could take
their sweeties, but we made it
most important
we developed a nose for news
to bring the owl
to all the school
love arnie

It just won't all fit on one page.

This just isn't my type!



Wonder if this is really a secret passageway to the Y-book office.

C'mon, have a heart!!

Sunburst

Twice a year this group gets together to cull the literary talent of WHS students, from which they assemble the *Sunburst* magazine. They supply the literary artists of Westminster with the chance to see their work in print, in someplace beside the author's typewriter.

Hey folks, listen to this!

Left to Right: S. Thomas, J. Myers, P. O'Brien, N. Slick, D. Hughes, Adv. — Mrs. Baumgardner, A. McDowell, T. LiVolsi, P. Mays, C. Harner, B. Grimes. *Center:* Ed. — G. Matulonis.

Wonder if Hemingway started this way?

Well, we can scrap this page!

Quill and Scroll

Here's the NHS of the literary world. Several outstanding members of the WHS literary world are selected for honorary membership in this society. It shows dedication, creativity, and a lot of hard work.

Theatrics Unlimited

You may ask: "Where's Drama Club?" Well, here it is. They have a new name, but they're the same crazy people, who brought us Abner, Lisa, Jubilation, and Birdie. They work hard, and it pays off for everyone connected with drama at WHS.

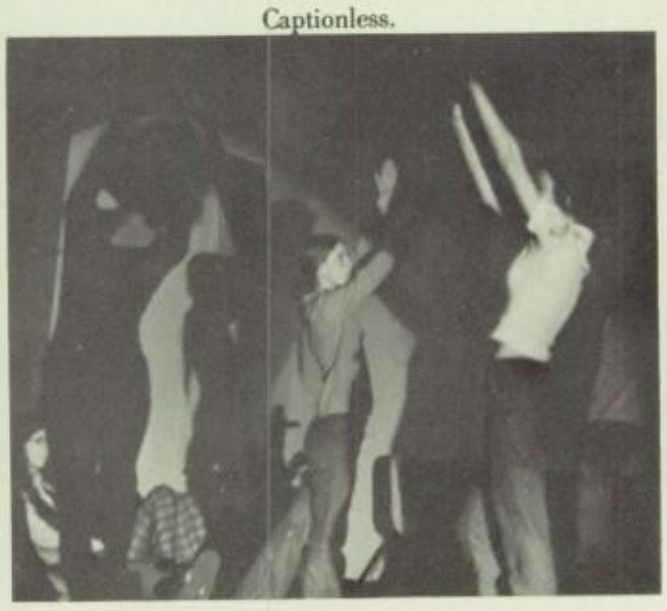
Front Row: Adv. Mrs. Cunningham, J. Clegg, T. Fowler, J. Hooper, S. Essich, L. Hofferberth, Pres. — K. Davy, V.P. — E. Meyers, Sec. — C. Aronholt, Treas. — D. Hughes, S. Robertson, M. Kissel, B. Long, D. Stonesifer, M. Foreman, B. Bode. *Second Row:* M. McIver, J. Armacost, T. Foreman, H. West, A. DePinto, T. Otto, T. Daigle, K. Koons, B. Sparks, K. Joel, G. Reitz, D. Hogan, A. Kirshner, T. Loats, L. Frock, S. Tall, B. Peck, P. Mays. *Third Row:* D. Stoner, D. Stoner, T. Bair, C. Harner, S. Sheble, C. Hayes, M. Tavenner, G. Reitz, S. Soiné, C. Chalson, V. Cole, F. Coleman, M. Berwager, S. Brose, S. Hitchcock, E. Shirley, K. Utz, P. Witkovsky. *Back Row:* L. Amsel, J. Zepp, P. Miller, A. Marquette, B. MacKenzie, F. Leinwall, D. Therien, P. Zepp, T. Lewis, S. Sedivy, V. Williams.

Would you like this in your face?

Captionless.

Only my hairdresser knows for sure!

PLEASE! Don't hit me again



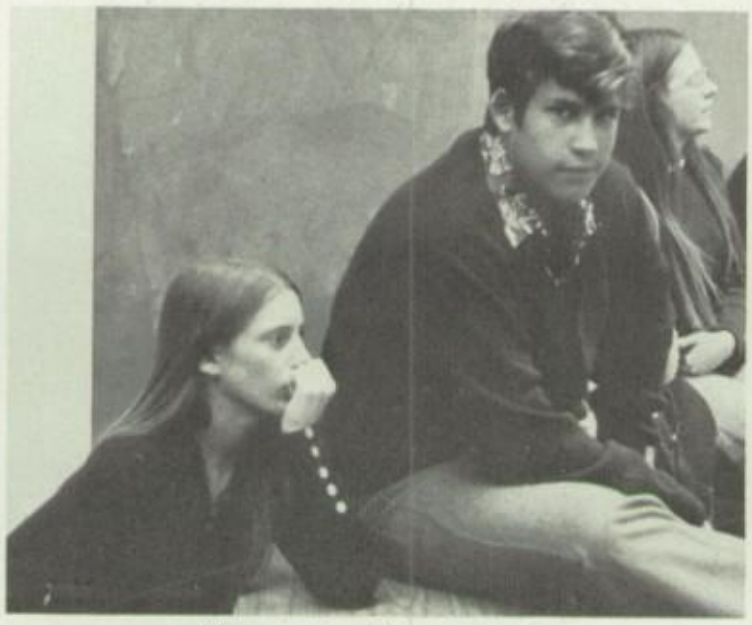
Hands up — this is a stick-up.

Whistler's Mother.

International Thespian Society

The International Thespian Society is the NHS of the Drama world. These are the backbone of the act-ion on the stage, both here and all around. You can always identify a drama person, they are always around after school, and several can be found down in the auditorium anytime. They do a lot of drama.

Front Row: Adv. — Mrs. Cunningham. *Second Row:* Treas. — K. Koons, J. Hooper. *Third Row:* K. Davy, H. West, D. Hughes. *Last Row:* B. Sparks, S. Robertson, D. Hogan, C. Aronhalt, E. Meyers, T. LiVolsi, E. Shirley. *Missing:* V.P. — J. Tribby, Sec. — C. Mowbray.



You are now within my power.

My glasses are steamed up.

London Bridge is falling down!

Mime Troupe

These people know that talk is cheap. They are no talk and all action. The viewer gets to decide what's going on when these mime players troupe onto the stage.

Front Row: J. Clegg, J. Hooper, B. Bode, L. Frock, D. Hughes, F. Coleman, E. Shirley, D. Johnson. *Last Row:* K. Zepp, Adv. — Mrs. Cunningham, S. Hitchcock. *Missing:* C. Mowbray.

Production Crew

Front Row: S. Rhoads, J. McDaniel, M. Fisher, R. Koons. *Second Row:* Adv. — Mr. Smith, K. Bloom, M. Berwager, C. Groft, P. Miller, D. Bowes, J. Eyler, K. Koons, W. Perry. *Last Row:* D. Hughes, S. Brose, J. Armacost, C. Ruppert, C. Aronhalt, S. Hithcock, E. Shirley, S. Sheble.

These are the unsung heroes of all WHS productions. You may not know it, but if there is something going on in the auditorium, the Production Crew is there. They fix it so you can see and hear. You decide whether they should have or not.

Here fishy, fishy!

King and Queen of Sports — Shawn Staup and Jim Peters.

Stick 'em up fella!

It must be done very carefully.

This is a. Roger Bair, b. Abominable Snowman?

Nancy pays off a winner.

Sports Carnival

The annual all organization fund raiser, the Sports Carnival was a great success. Some ingenious new ideas were tried this year, with good results. Everybody came out ahead, those who participated, and those who just came to have a good time.

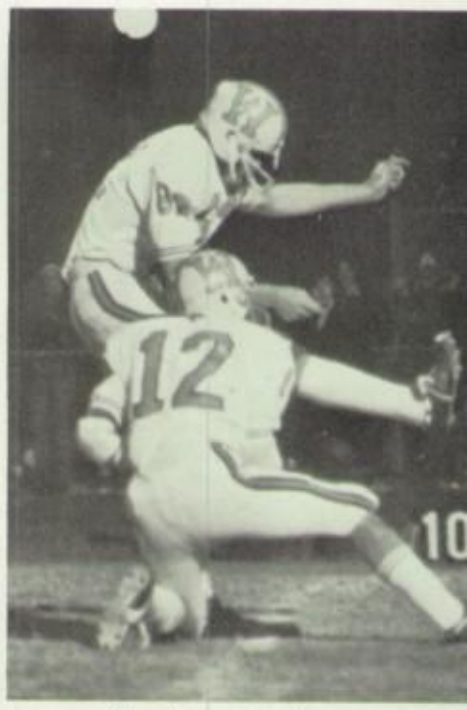
Hey! I saw that penny first!

Nobody bothers me.



Another extra point.

You hold him while I tie his shoes.

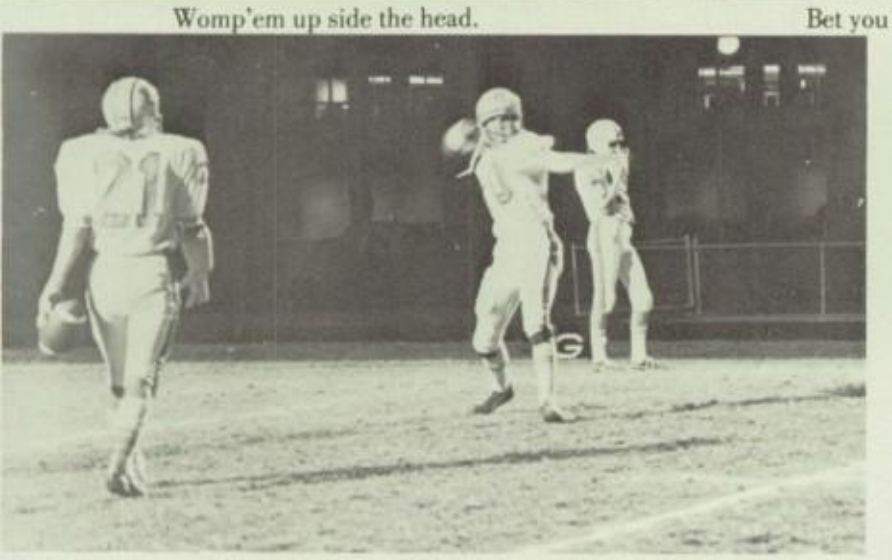
Seniors: *Front Row:* J. Peters, J. Stocksdale, M. Piavis, P. McCourt, C. Crawford, S. Shelley. *Second Row:* R. Showalter, S. Sharkey, R. Groft, W. Hare, K. Gillingham. *Back Row:* J. Kern, M. Blackburn, P. Welliver.

Managers: J. Stickles, E. Williar. *Back Row:* M. Reeve, M. Rodgers.

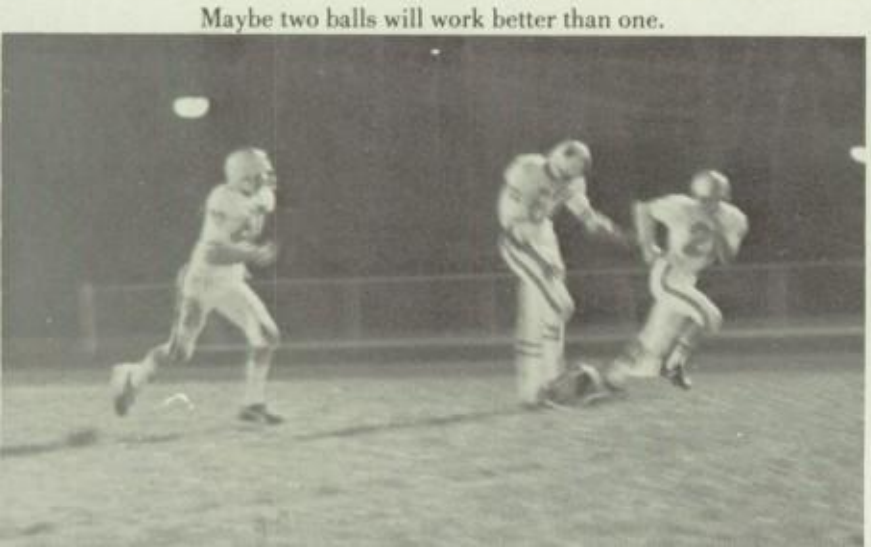
Womp'em up side the head.

Bet you can't get your teeth this white.

Able to leap tackles in a single bound.



Maybe two balls will work better than one.

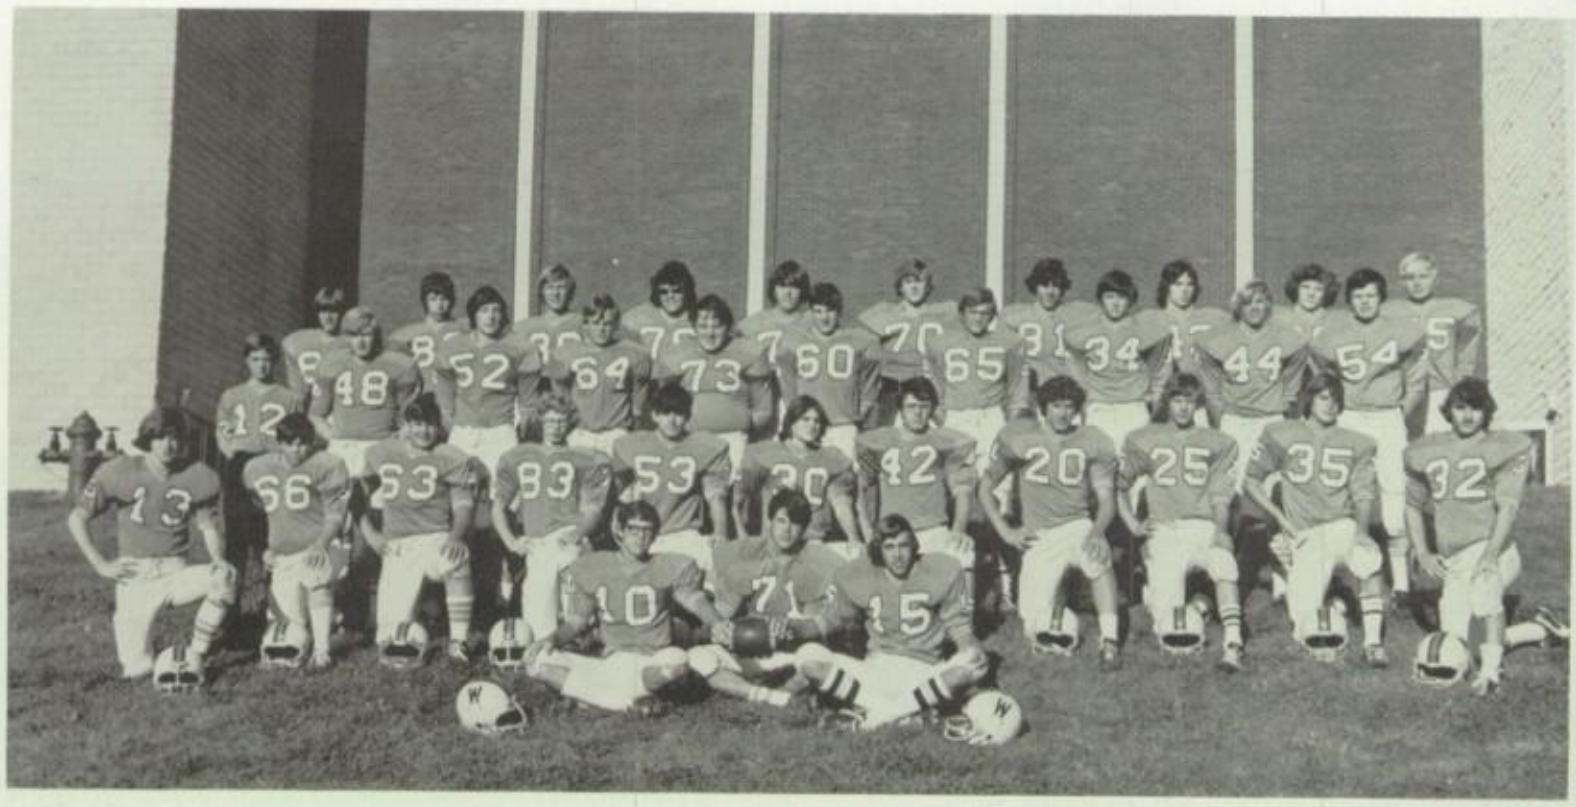


Football got back under the lights this year, and Saturday games were rare, which everyone enjoyed. A bit of unscheduled rain dampened things, especially the field, but spirit remained high, as did attendance. Even if the scores don't show it, the games were exciting, and after all, that's what counts.

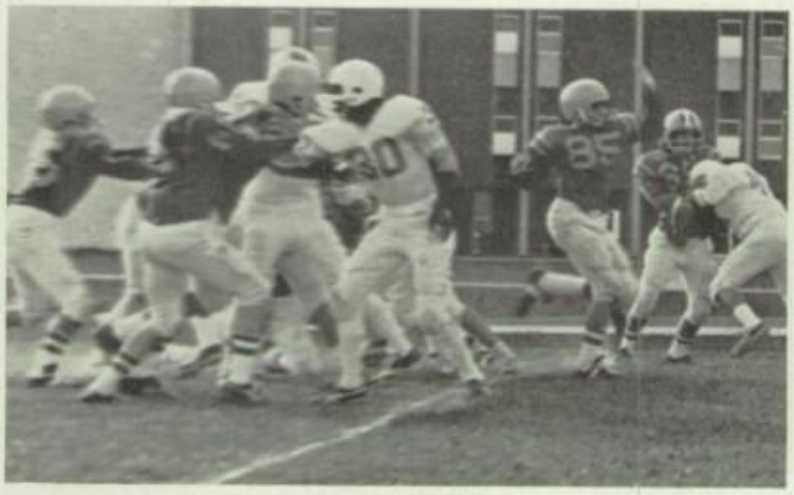
J.V. and Ninth Grade Football

These two teams ended up with perfect records, and at this rate next year's varsity team should be something else. They cleaned up in their league, and probably could have taken the state if they'd been given the chance. Next year, right guys?

Get ready, here it comes.



Front Row: J. Jones, M. Blackman, B. Harman. *Second Row:* A. Whiteson, M. Shafer, W. Robertson, M. Brewer, K. Kuester, D. Tibbs, K. Pretty, M. Ward. *Third Row:* B. Devilviss, B. Hennessee, B. Frick, R. Yingling, B. Lockard, B. Stonsifer, K. Frock, R. Pickett, R. Fendlay, G. Speicher.



Don't get pushy!

The way you sing it all!

Front Row: J. Bair, J. Siepps. *Second Row:* J. Moss, B. Lockard, C. Monath, D. Houck, J. Ditzell, M. Shuhart, G. Masscott, P. Spittel, M. Rafferty, T. Lee, C. Erb, D. McGinnis. *Third Row:* M. Berkowitz, J. Lewis, J. Frock, C. Noise, D. Bodner, M. Witt, B. Lichtfus, B. Bowersox, S. McVicker, B. Sullivan, W. Wealty, T. Dixon. *Back Row:* K. Hill, J. Pickett, G. Charms, C. Welliver, C. Biggus, D. Bloom, M. Kooner, J. Petrella, L. Brown, F. Welty, M. Snyder.

Cross Country

Front Row: A. Shaeffer, B. Arbaugh, D. Weisgerber, D. Stover, F. Marquardt, S. Shipley, B. Zepp, J. Carver, R. Davis.

B. Zepp

S. Shipley

D. Stover

The most unheralded sport of all is hardly known outside the small circle of actual competitors. It also happens to be one of the hardest sports to get through. Sheer will power is the most important ingredient of a cross country runner. It's hard to run cross country, but our team runs, runs, and keeps on milin'.

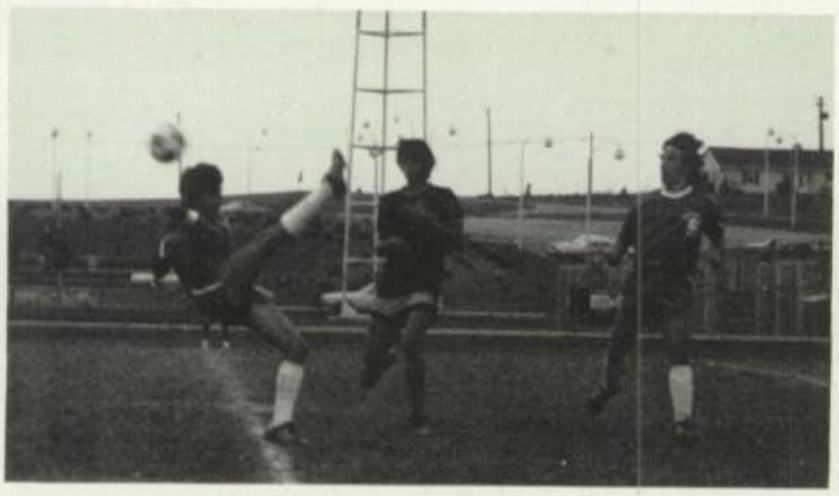
Varsity Soccer

Neither rain, nor mud, nor gloom of night keeps the soccer team from triumph. Raining? You get wet. Muddy? Wipe off the ball. Dark? Turn on the lights.

The soccer team played under the lights for the first time, and it worked well. Head power, flashy footwork, and a lot of hard running made for a successful season. Soccer deserves more attention than it gets.

Front Row: T. Myers, M. Kline, G. Warner, T. Johnson, B. Seipp, managers N. Lauterbach, H. Sprowl. *Second Row:* B. Fiore, R. Myers, R. Warner, H. Peters, D. Zauche, M. Malinowski, D. Robertson. *Third Row:* Coach Mr. Billingslea, M. Reaves, K. Hayes, B. Armacost, D. Dukehart, K. Anway, M. Lord. *Back Row:* R. Strine, D. Velnoskey, S. Brown, S. Conley, D. Warhime, C. T. Gordon, L. Haines.

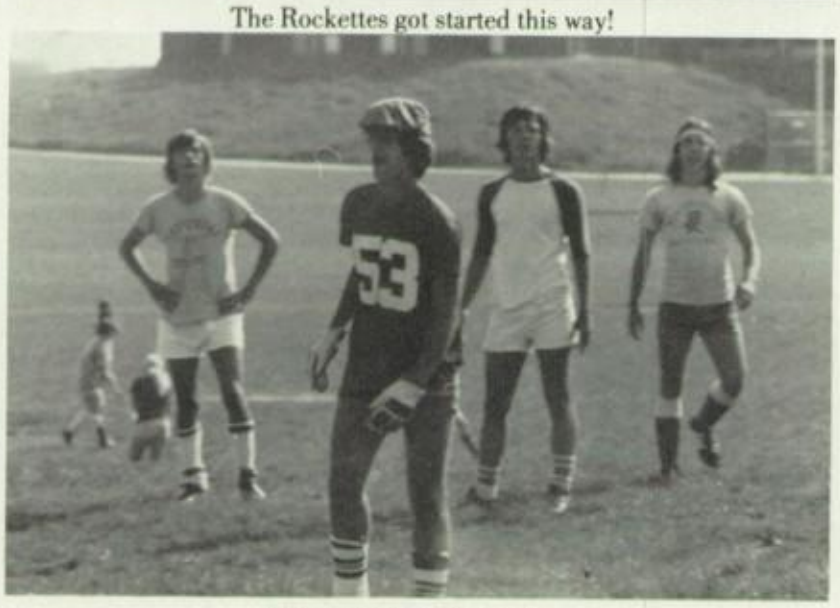
Where's Reaves?



The Rockettes got started this way!

Tri captains M. Kline, G. Warner, T. Johnson.

All-County T. Johnson.



Simon says: hands on hips.

Hope I didn't lose a contact.

J.V. Soccer

Front Row: G. Baldwin, S. Myers, A. Hagy, T. Fiore, T. Stuller, R. Kerr, D. Rill, J. Miller. *Second Row:* B. Hughes, J. Cook, C. Bright, T. Shinsky, E. Flanagan, M. Coleman, B. Jenness, B. Burke, E. Mann, T. Keeney. *Back Row:* M. Reiner, J. Shrader, S. Lawson, A. Miller, D. Degroff, R. Martin, V. Cook, J. Ridenhaur, J. Hopkins, Coach D. Knight.

Although not varsity, these players run as hard, kick as quickly, and work as much as anyone. Obviously headed for higher heights, there's good material here, and you'll see it in the varsity squad next year.

Varsity Lacrosse

No longer just a club, lacrosse has become a true varsity sport. Not only the fastest game on foot, it is the fastest growing sport on campus. Games were not the only object of the team, seminars with champion coaches and players were held to promote the sport, as if it needs any more support than it has already.

Front Row: J. Hull, J. Peters, M. Piavis, J. Langrall, B. Jonekis, C. Huber, G. Speicher, T. Daigle. *Second Row:* Coach R. Luers, C. Long, S. Berkowitz, M. Murphy, D. Widdowson, H. Peters, D. Zauche, K. Doney, V. Fiocco, R. Jurf, D. Murphy. *Third Row:* K. Pieper, J. Fritz, R. Hurlock, R. Yingling, D. Bowersox, C. T. Gordon, M. Lord, E. O'Meally. *Back Row:* B. Seipp, S. Conley, P. Welliver, M. Piavis, B. Ward, C. Crawford, T. Sevenson, A. Ness, D. Jones.

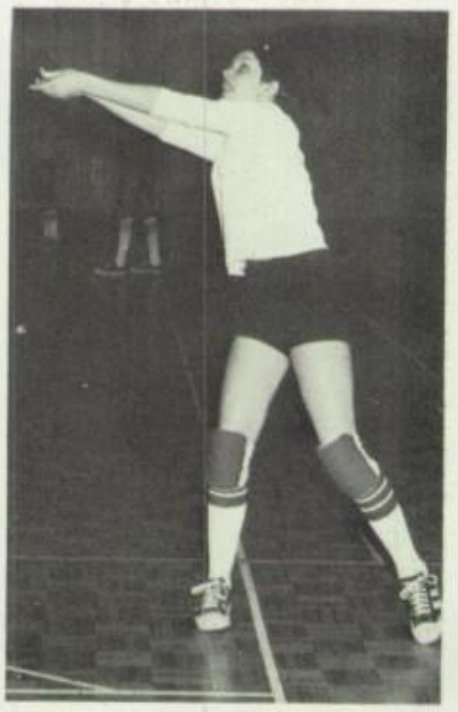
Varsity Volleyball

Front Row: Co-captains R. McNamara, M. Sheftic. *Second Row:* D. Krebs, N. Schuyler, S. Quinley. *Back Row:* Coach R. Holland, C. Bollinger, E. Long, P. Cook, R. Glick, M. Wood, Manager V. Shaefer.

At least I get it over.

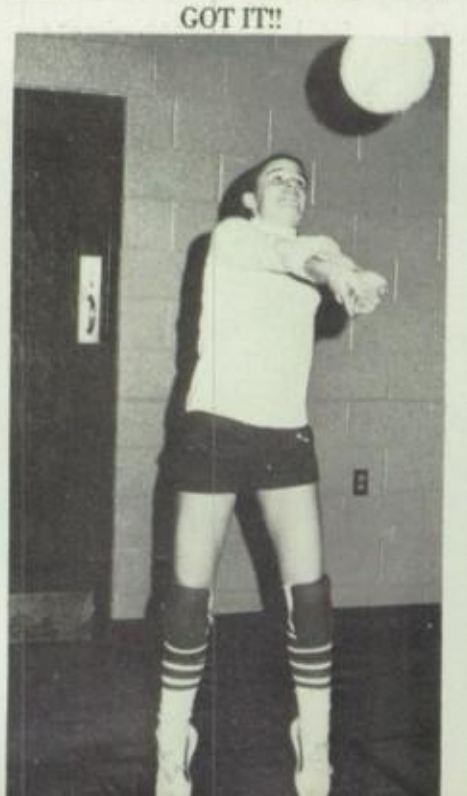
And they say the bump's a dance!

I should have been in mime.



GOT IT!!

Another winning Owl team ends the season undefeated! Team after team was destroyed by the selective smashes of Mrs. Holland's women. There's a certain something that all winning teams have, and this team has definitely "Got It!"



Sharon Quinley

Mary Sheftic

Seniors

Mar, Mac, Quin, Krebs and Sky . . . 'liminations . . . left covers right . . . setter sets!! . . . GOT IT! . . . TEN consecutive serves??? three hits . . . coke bottle serve . . . nice . . . Holy Who?

Nancy Schuyler

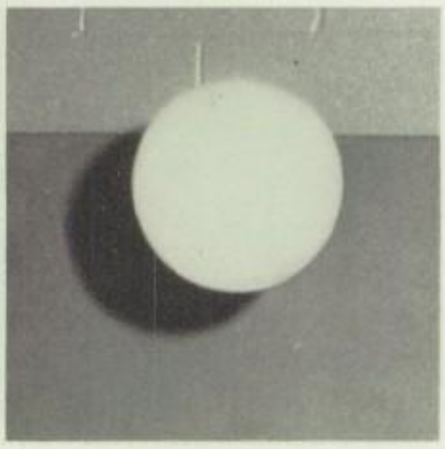
Robin McNamara

Debie Krebs

J.V. Volleyball

Front Row: Co-captains J. Packer, L. Parker. *Standing:* Coach R. Holland, R. Flater, B. Kauffman, F. Coleman, J. Eckard, K. Harman, L. Bowersox, M. Corbin, D. Anway, Managers S. Baltzell, D. Jones.

Next year's seniors gain the finesse needed to make wins at volleyball. Practicing digs, smashes, and serves takes time, but that's the price to be paid.



Varsity Hockey

UGGGHHHH!!

OVER THERE . . .

But Shawn, you ALWAYS get the ball!

The Hockey team wrote up another perfect season this year, having to go all the way to districts before meeting defeat. Everyone was a little disappointed when they ended up as only County Champs, but we know they went down swinging.

Front Row: S. Staup, J. Bollinger, T. Seipp, D. Boone. *Second Row:* D. Wilson, D. Ripley, D. Sherfey, K. Barwick. *Back Row:* N. Hagy, T. Saylor, D. Study, coach S. Hooper, manager S. Golden, H. Crabbs, S. Crouse, C. Bollinger.

Orange you glad we're winning?

Put your left foot in . . . put your right foot out . . .

Fearsome Foursome

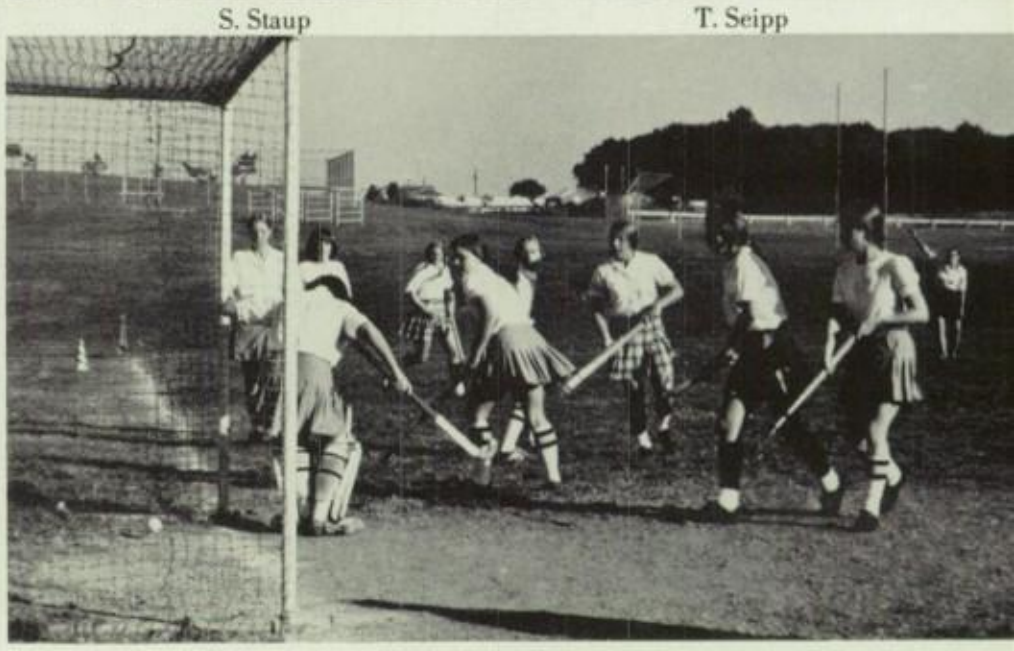
J. Bollinger

D. Boone

S. Staup

T. Seipp

Another defensive steal . . .



. . . another goal.

J.V. Hockey

Front Row: B. Martin, J. Steinberg, C. Warner, C. Gunther, S. Conover. *Second Row:* C. Grove, T. Strauss, J. Warehime, C. Tulley, W. Peters, K. Farinholt. *Back Row:* Managers P. Tobery and T. Williar, K. Caples, N. Armacost, D. Benzil, J. Buelis, Coach D. Fleming.

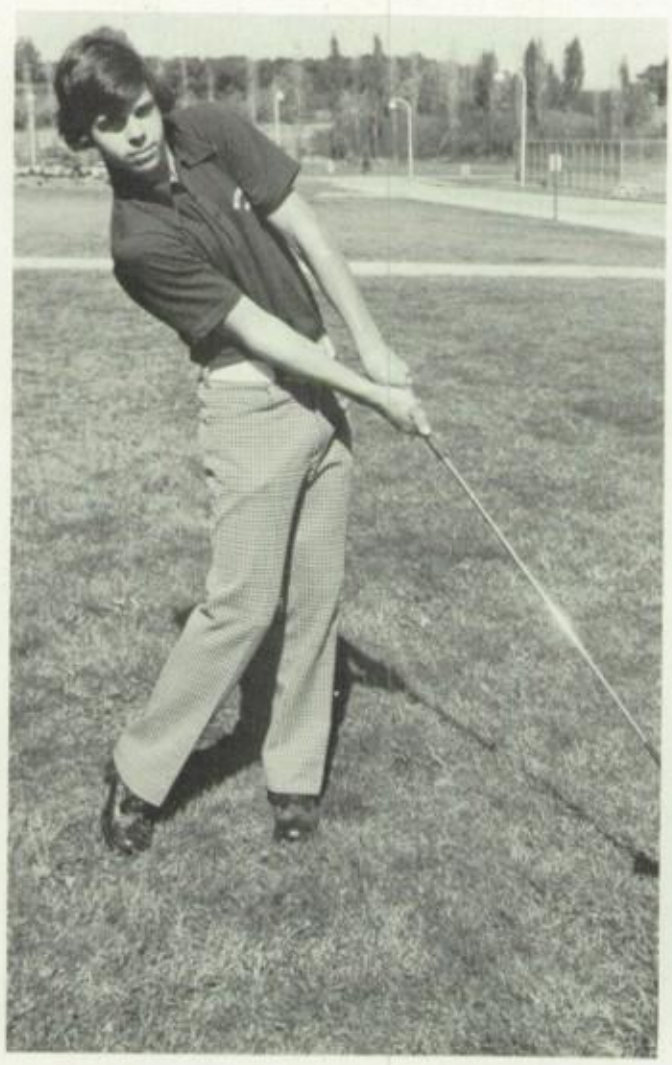
The varsity team loses the fearsome foursome this year, but with a crew like this to choose from, the games, and the record, should be just like this year's varsity. The J.V. team played well this year, and this team spirit and co-operation will show in the teams of tomorrow.

Golf

Front Row: J. MacDonald, S. Williams. *Second Row:* G. Swain, J. Vassallo, B. Yingling, M. Spittel, C. Palmer. *Back Row:* B. Rupp, Coach: J. Uveges, S. Hargis.

The Golf team keeps growing every year, morale is high, the humor is low, and the scores are low. With Western Maryland as home course they can practice all the time, and it shows in the scores of everyone.

J. Vassallo



B. Rupp

B. Yingling

J.V. Basketball

Left to Right: D. Bair, B. Bowers, T. Stuller, B. Frick, J. Langrall, R. Springer, V. Harman, K. Myers, A. Bauchmann, B. Harman, R. Williams, K. Kuester, M. Fiocco, W. Toporzycki, Coach J. Sexton.

J.V. Basketball played themselves out, and it paid off well. They were tied for first at the end of the season, which is a good record. We hope that next year will see them on the varsity squad, representing WHS in the Tri-State League.

Managers: *Front:* D. Benzil. *Standing:* J. Fritz, C. Benajmin, T. Roy. *Missing:* D. Rodgers.

Ninth Grade Basketball

Front Row: Managers G. Bond, J. Miller, J. Macharsky, J. Lewis, J. Baer, Managers M. Williar, J. Norris. *Second Row:* W. Frisby, S. Lawson, J. Sipes, J. Moss, M. Coleman, M. Berkowitz, B. Lichtfuss, Coach R. Miller. *Back Row:* R. Shaulis, J. Petrella, R. Dell, K. Welliver, B. Bowersox, C. Biggus, G. Charms.

This year's freshman basketball team worked mostly on coordinating individual efforts to make a cohesive unit. The boys themselves hold a lot of promise for their future ventures on the court.

Varsity Basketball

Left to Right: E. Williar, J. Stocksdale, N. Boyle, M. Piavis, J. Ray, P. Welliver, M. Blackburn, C. Nevin, J. Farver, D. Ripley, J. Zook, M. Godwin. *Kneeling:* Coach D. Sullivan, manager C. Boczek.

Rip lays up two.

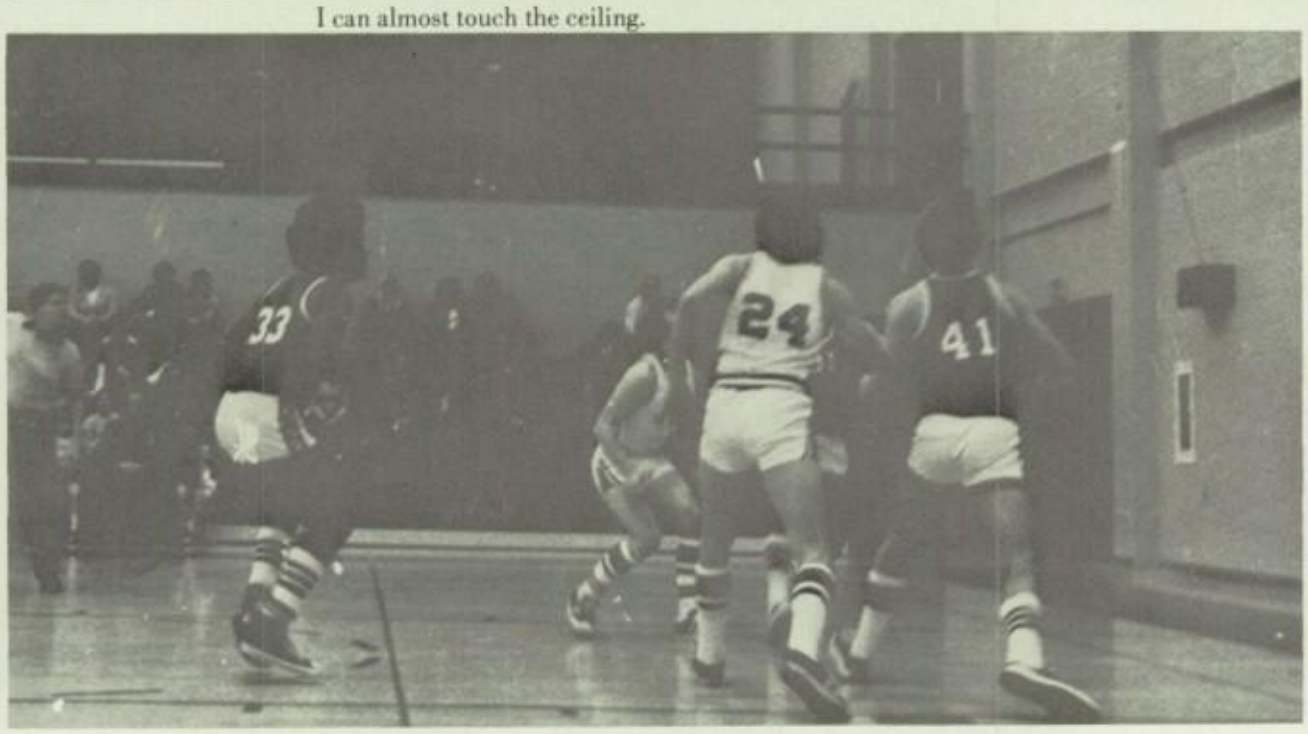
When you're hot you're hot.

It wasn't out off me!!

I'm all fouled up.

I can almost touch the ceiling.

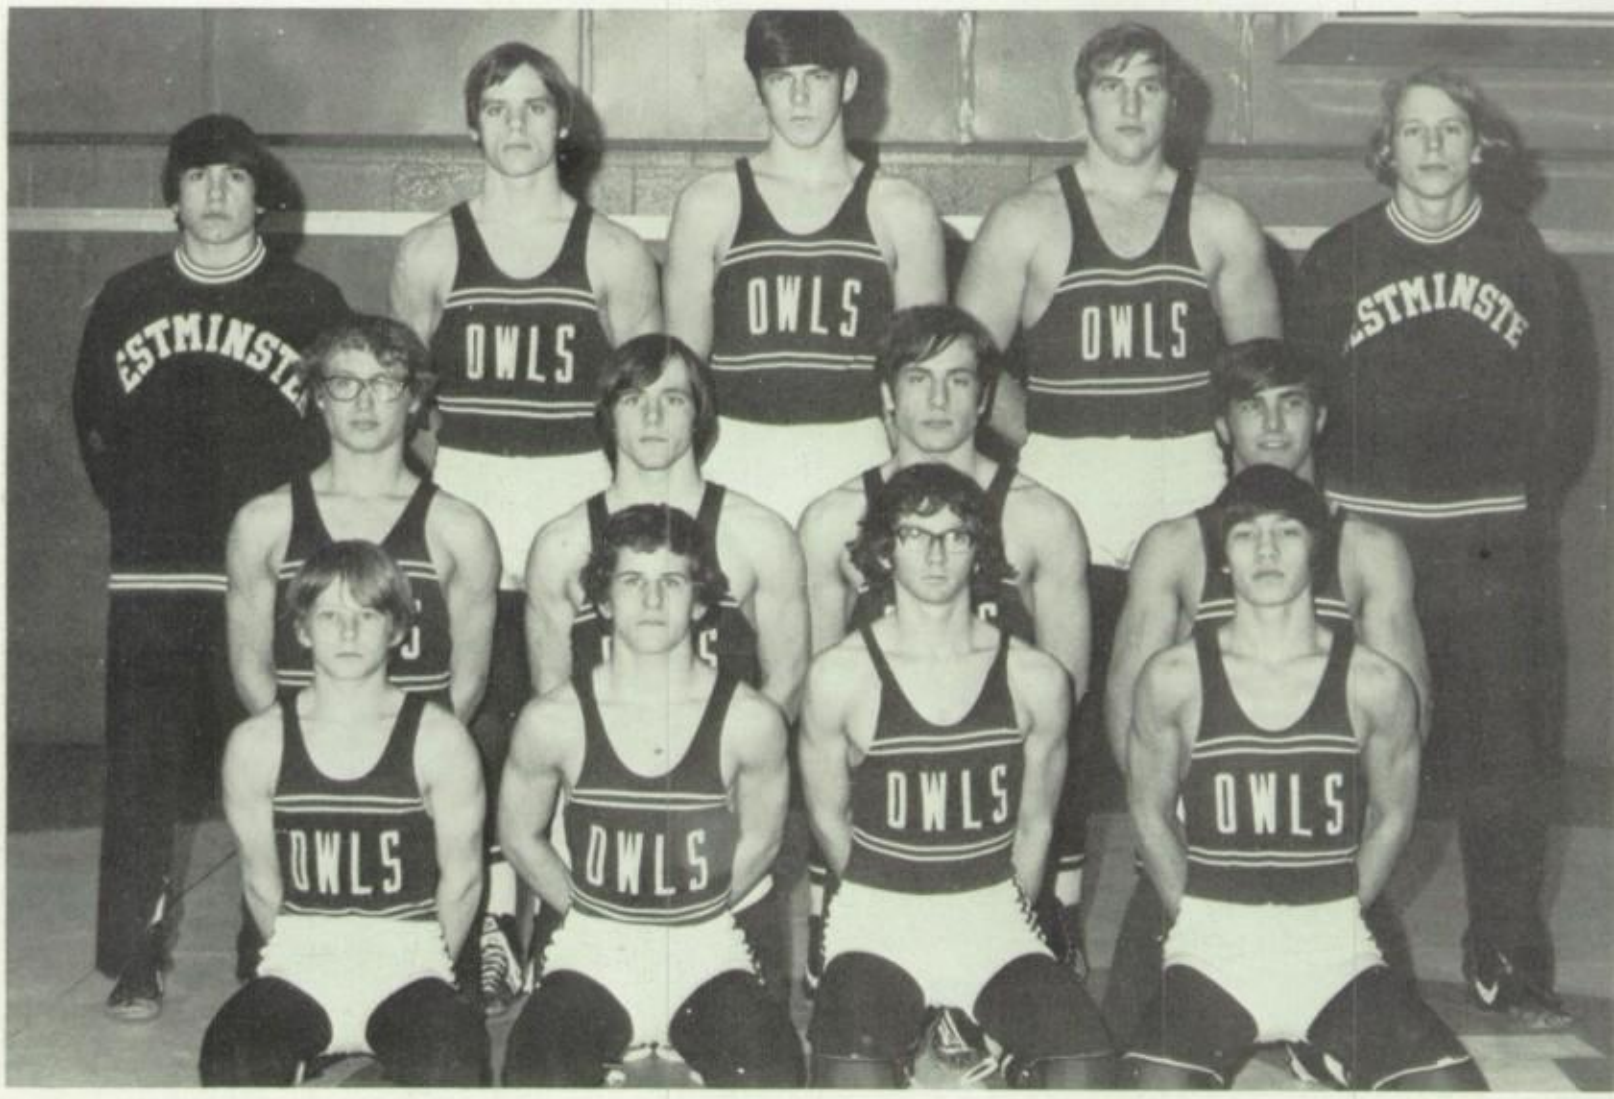
Go in or else . . .



Every team encounters its ups and downs, but the scores are only quantitative. The real measure of a team's success is the way in which its members accept defeat and return to try again.

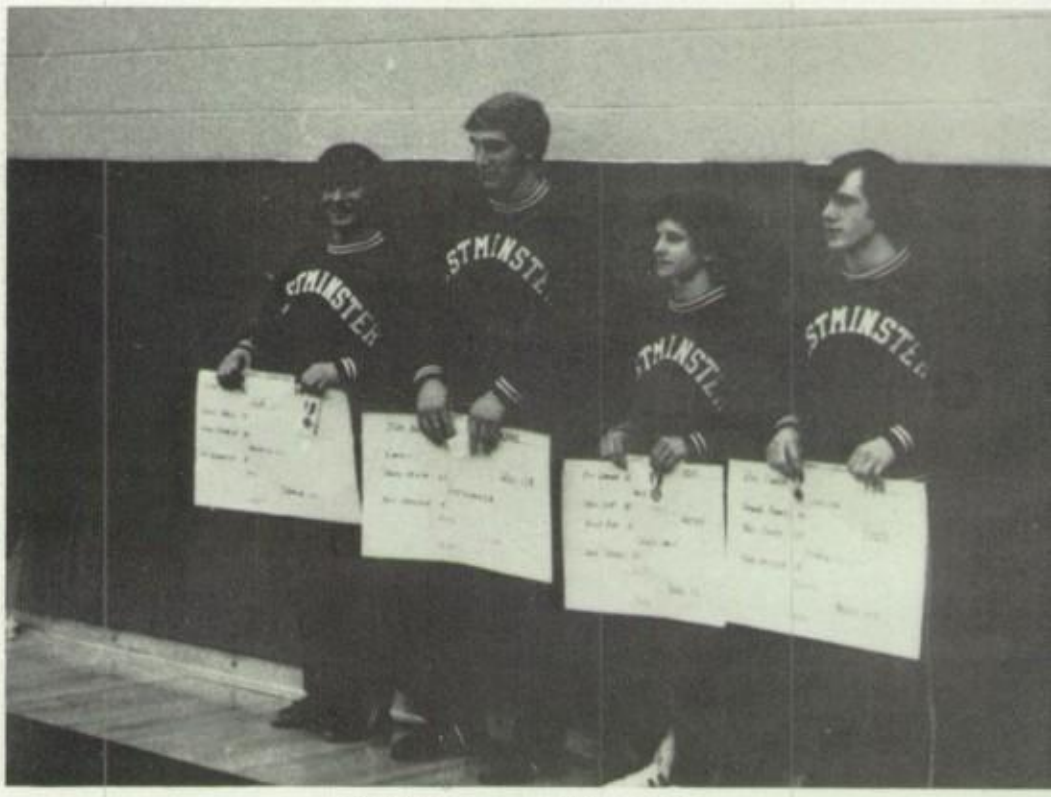
This year's varsity basketball team, despite its record, deserves a lot of recognition for their fine display of sportsmanship.

Varsity Wrestling

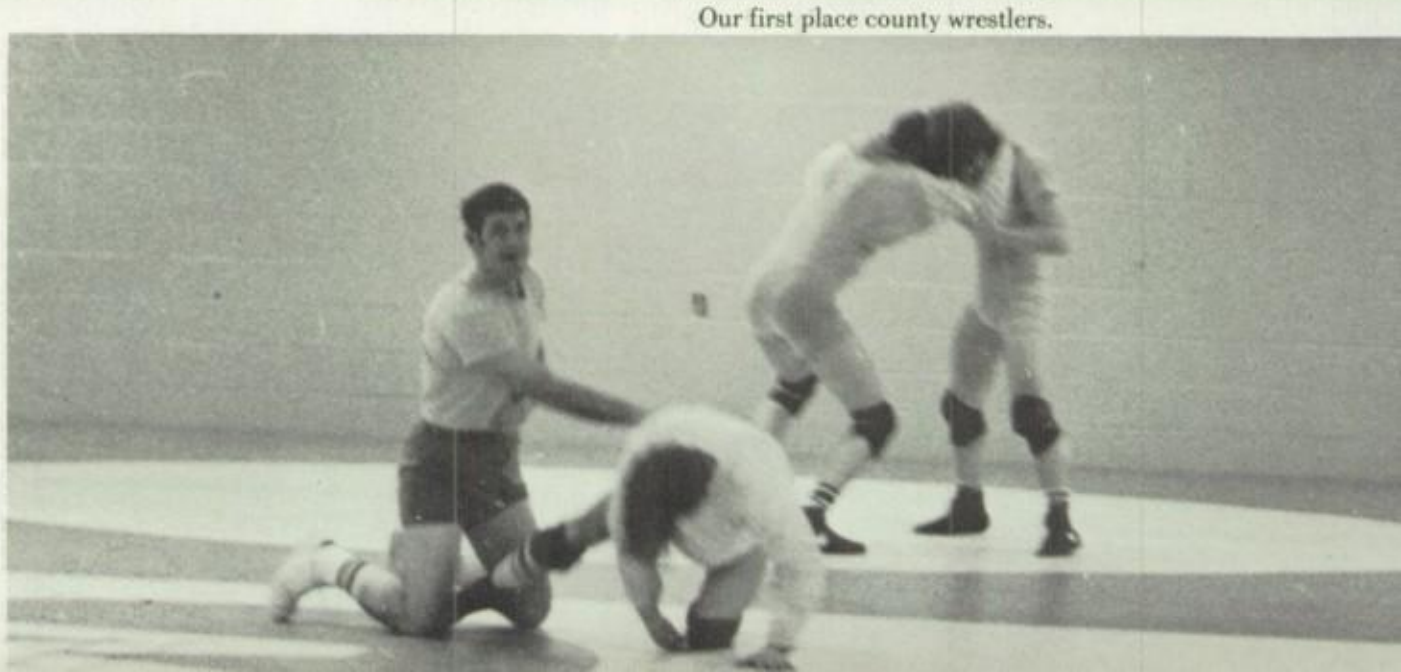


Front Row: J. Mohlhenrich, R. Warner, D. Pennington, R. Erb. *Second Row:* E. Myers, R. Finch, S. Sharkey, S. Hoff. *Third Row:* T. Sharkey, J. Peters, B. Horton, J. Wiles, K. Koontz.

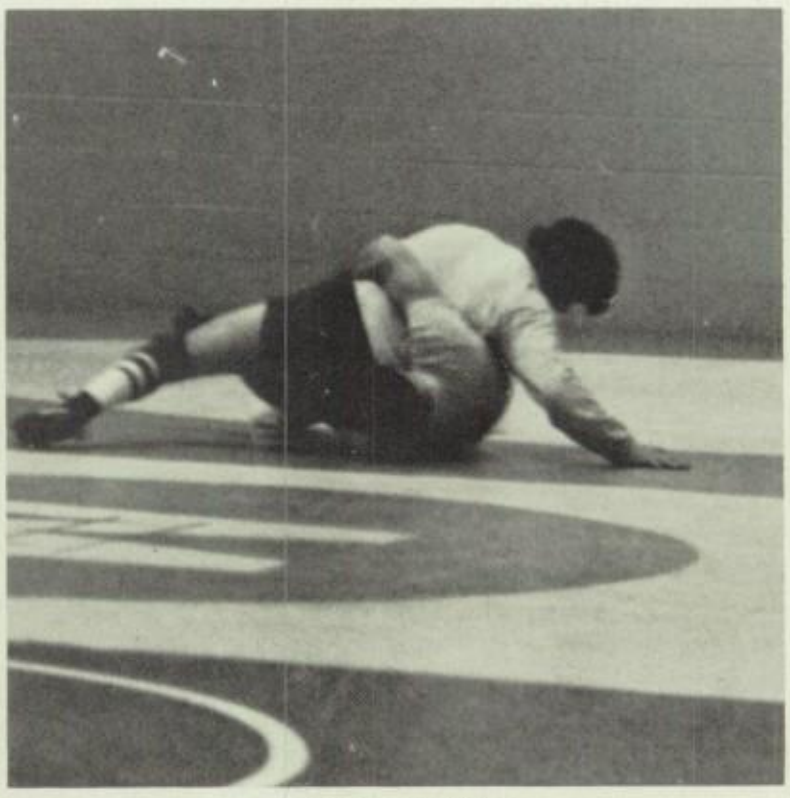
Thumbs up, guys!



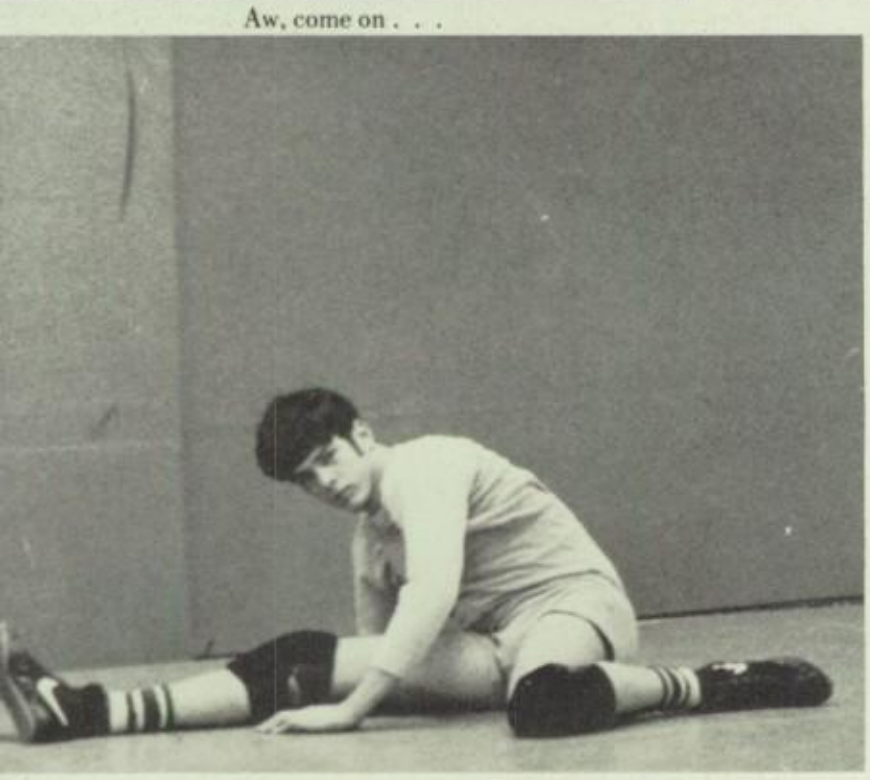
Our first place county wrestlers.



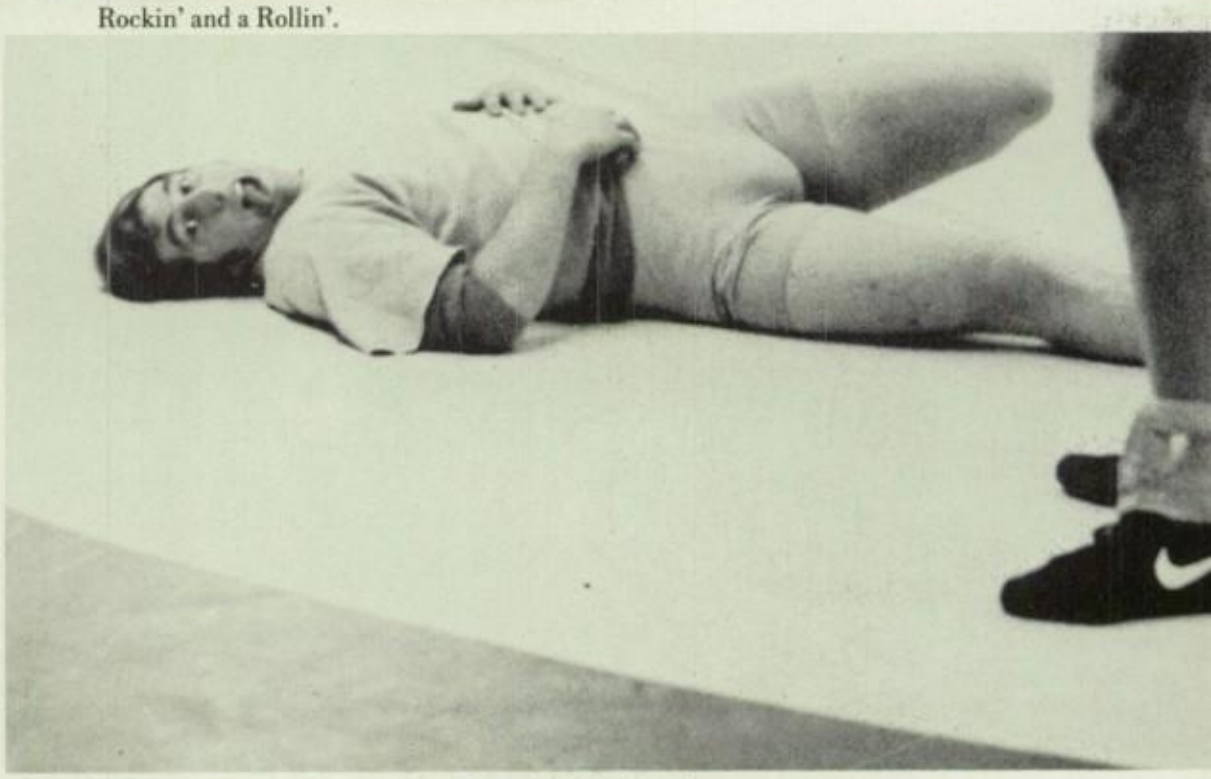
Aw, come on . . .



Rockin' and a Rollin'.



Do this twice a day and all those pounds go away.



Legs, Legs, Legs are here!

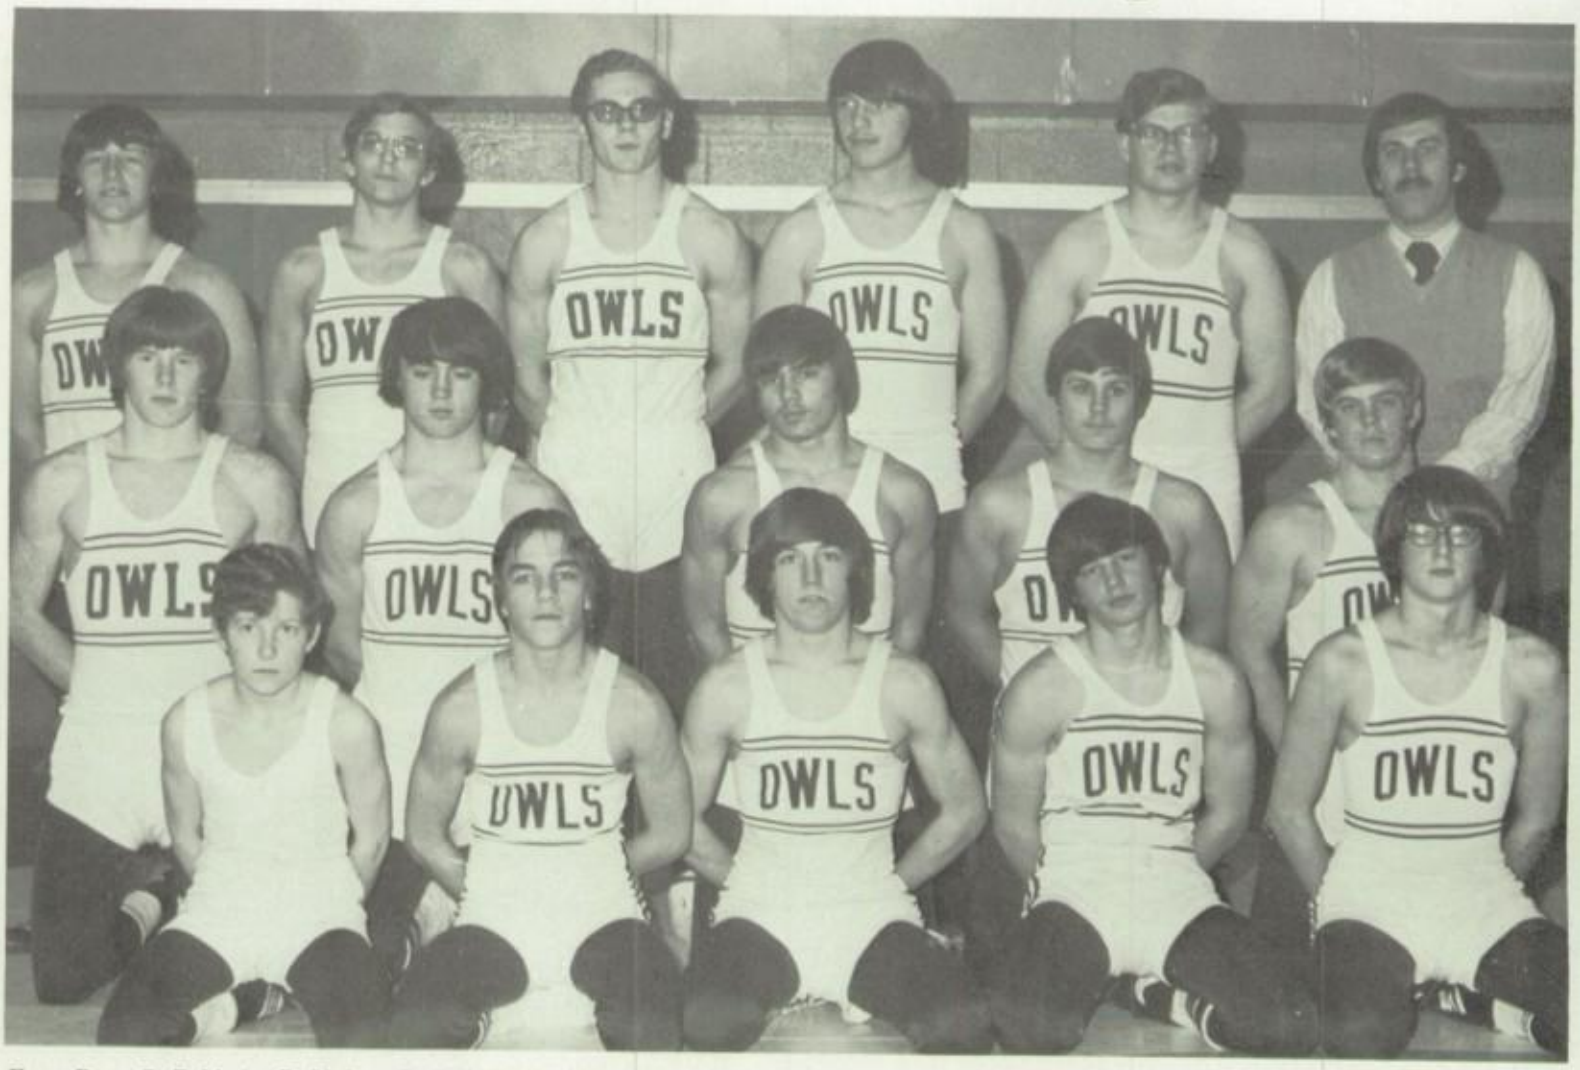
Managers: *Front Row:* L. Willis, P. Knoll, A. Bernhard. *Second Row:* L. Clear, T. Seipp, R. Sipes, D. Zepp, S. Williams.

We had a great Varsity Wrestling team this year, as evidenced by our four County Title holders, and our six representatives to the State Competition. Our competitors got their ears pinned back by our mat rats, and the state and county meets felt the pressure of WHS wrestlers.

Varsity B Wrestling

While learning and preparing for varsity tri-state competition, our varsity B wrestlers did a little winning of their own. It's easy to see that when next year's squad hits the mats, it's gonna hurt.

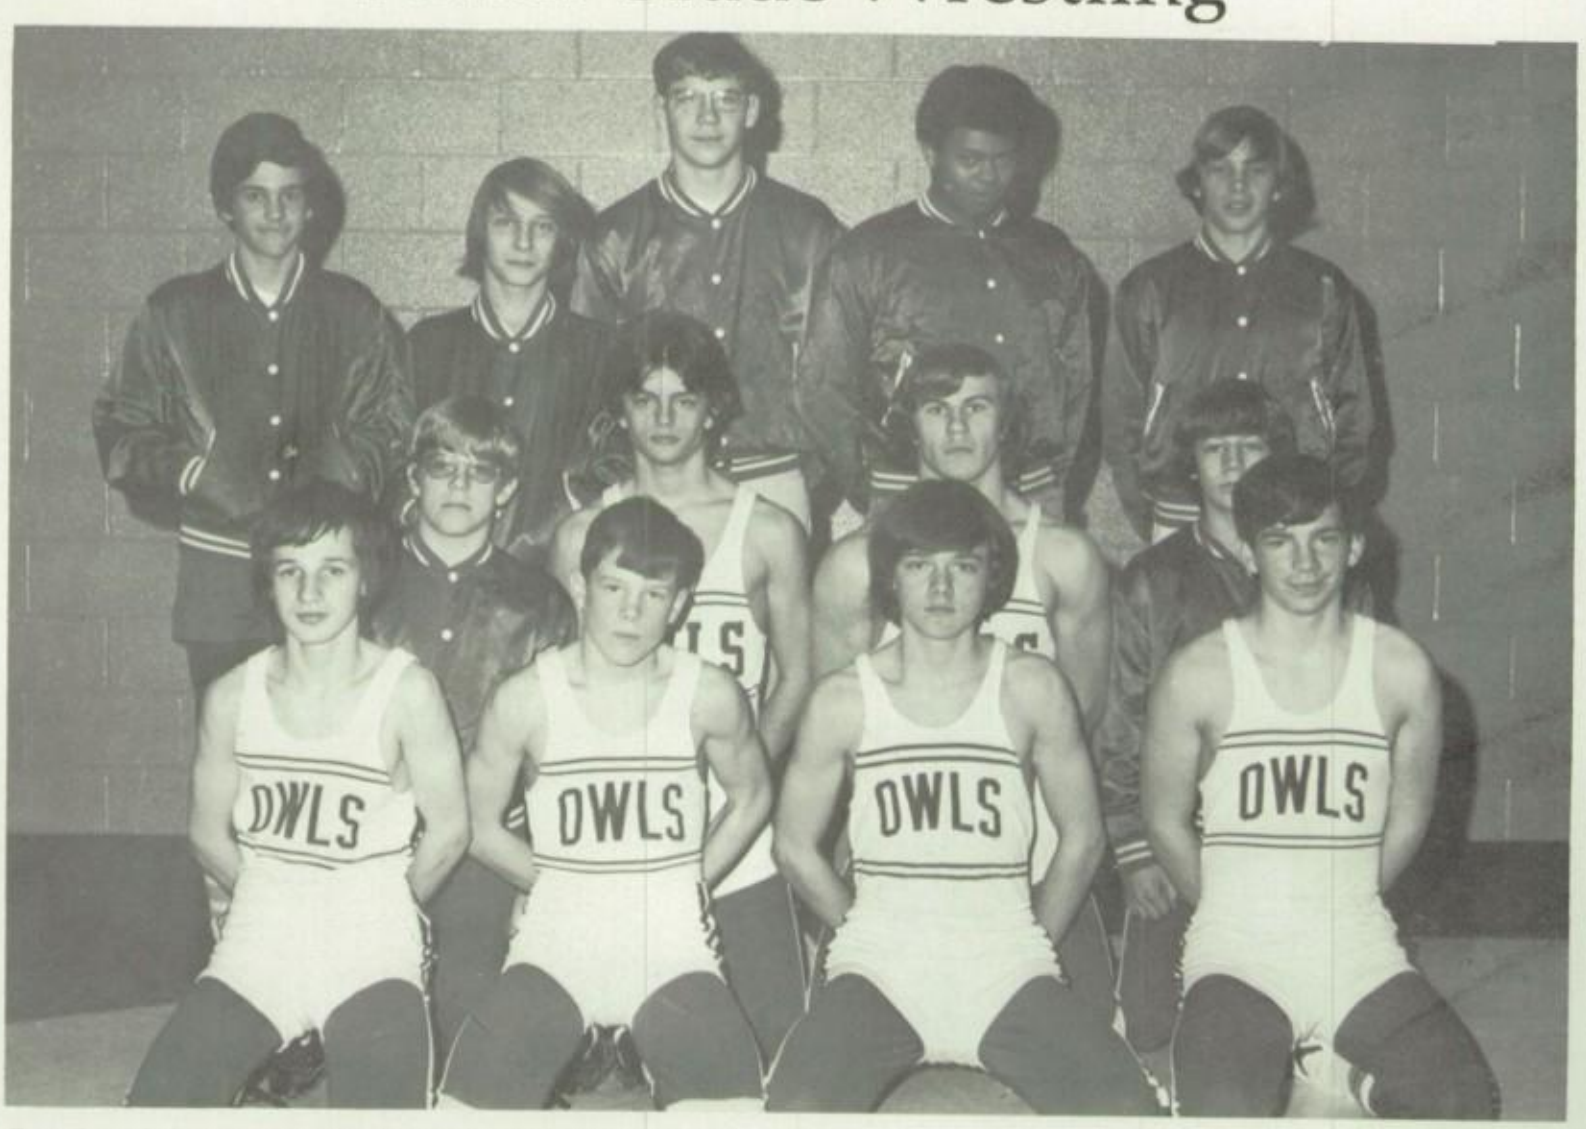
An escape is inevitable.



Front Row: G. Baldwin, B. Huber, R. Bell, M. Nelson, M. Case. *Second Row:* A. Whitestone, D. Jones, C. Jones, J. Alexander, G. Keeney. *Back Row:* M. Blauvelt, K. Frock, R. Bullock, M. Conklin, J. McDaniel, Coach D. Knight.

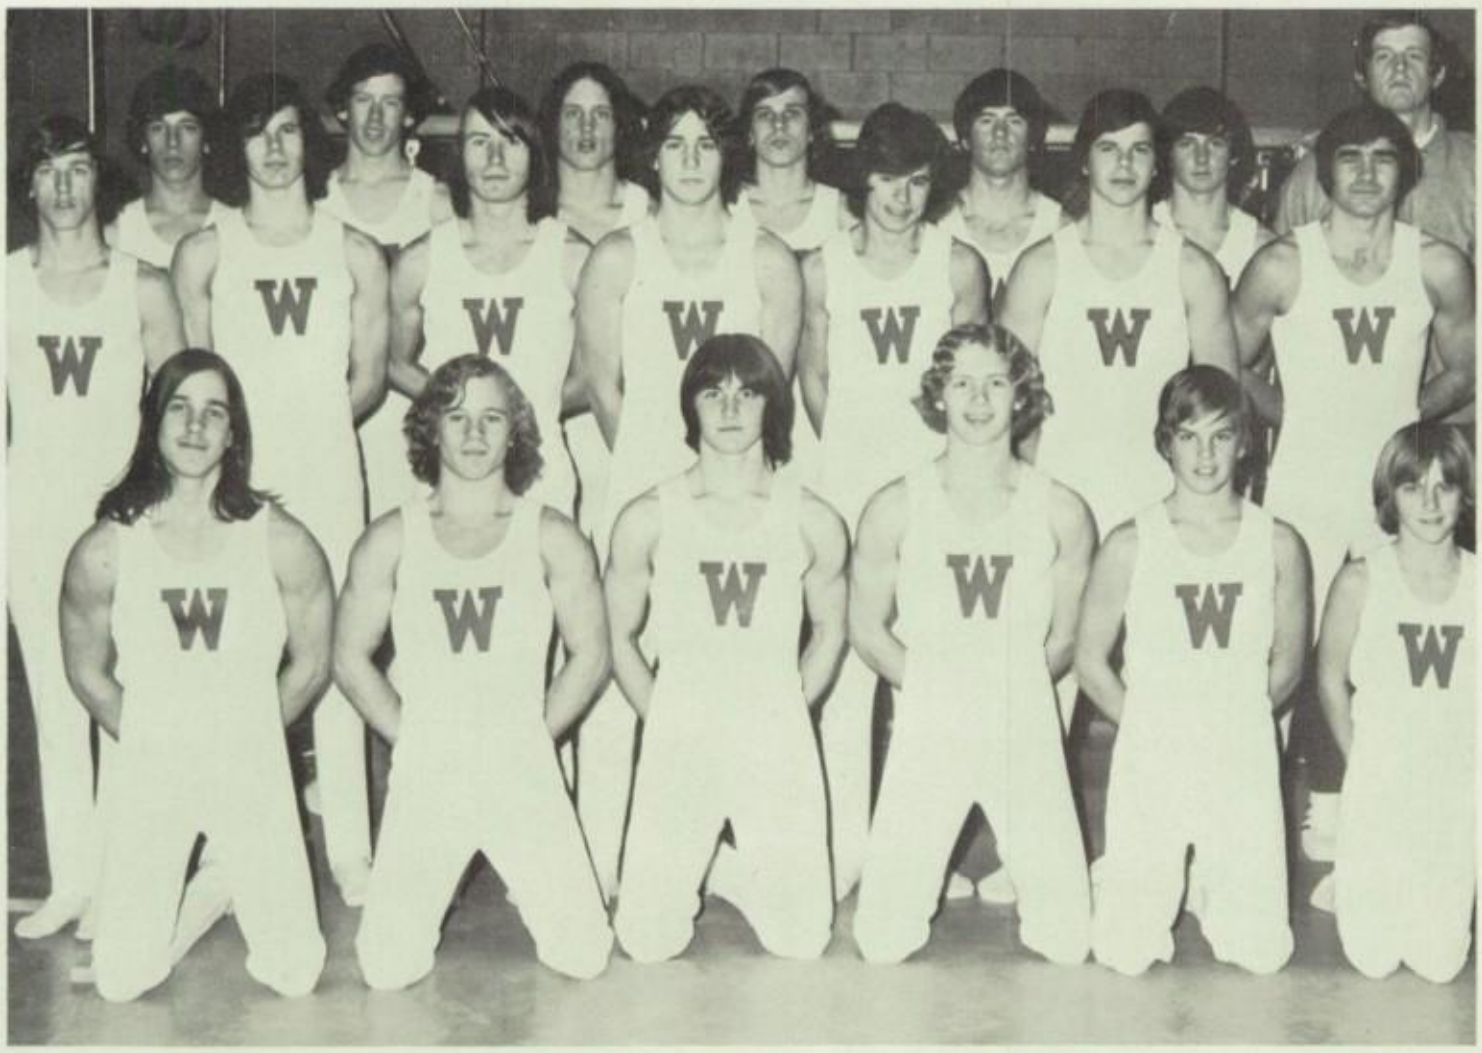
Ninth Grade Wrestling

The fate of the true sportsman is to win and also, to lose. Experience was the biggest plus our freshman wrestlers gained, and the knowledge that, although winning is the object, in wrestling, as in many sports, the losers can also be winners.



Front Row: C. Robertson, G. Massicot, C. Shauck, M. Rafferty. *Second Row:* T. Keeney, R. Kerr, R. Rickell, M. Bell. *Back Row:* E. Quesinberry, L. McCormick, S. Warehime, T. Dixon, W. Drechsler.

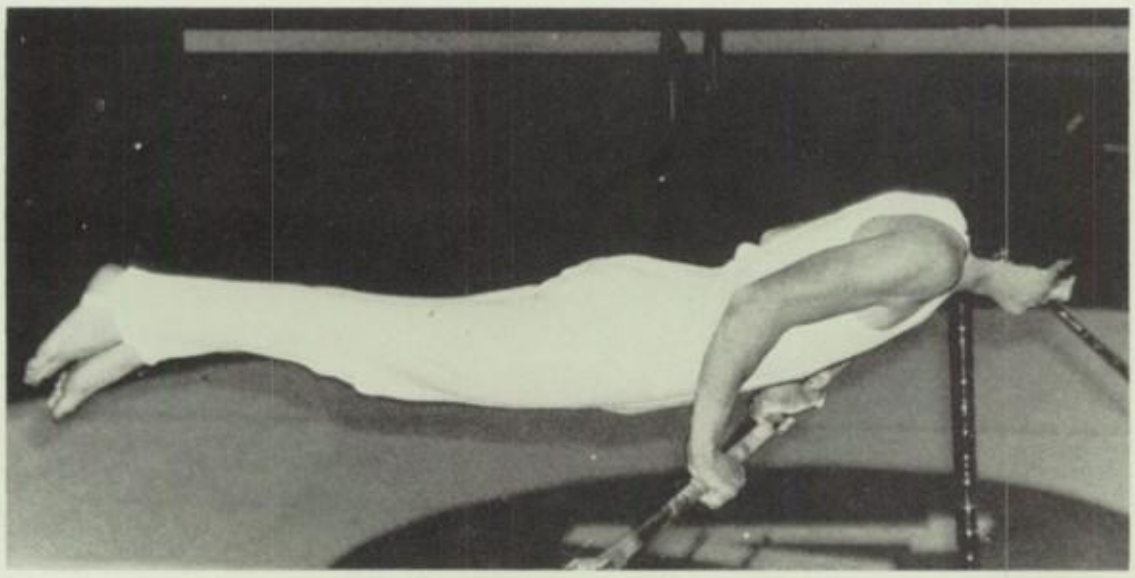
Boys' Gymnastics



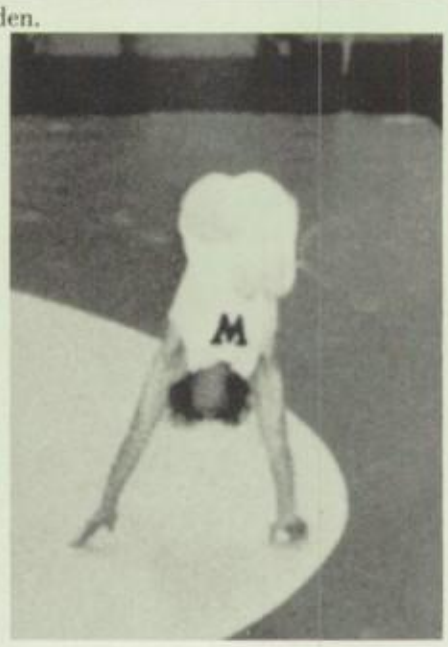
Front Row: D. Miller, F. Battaglini, W. Robertson, J. Wilson, M. Holder, S. Myers. *Second Row:* C. Haines, J. Kern, A. Shaeffer, R. Stonesifer, S. Kelly, B. Rupp, R. Bair. *Back Row:* D. Bowes, T. Stevenson, K. Schultz, M. Peregoy, S. Shelley, R. Pickett, Coach H. Ruby.

Prez and his Secret Service.

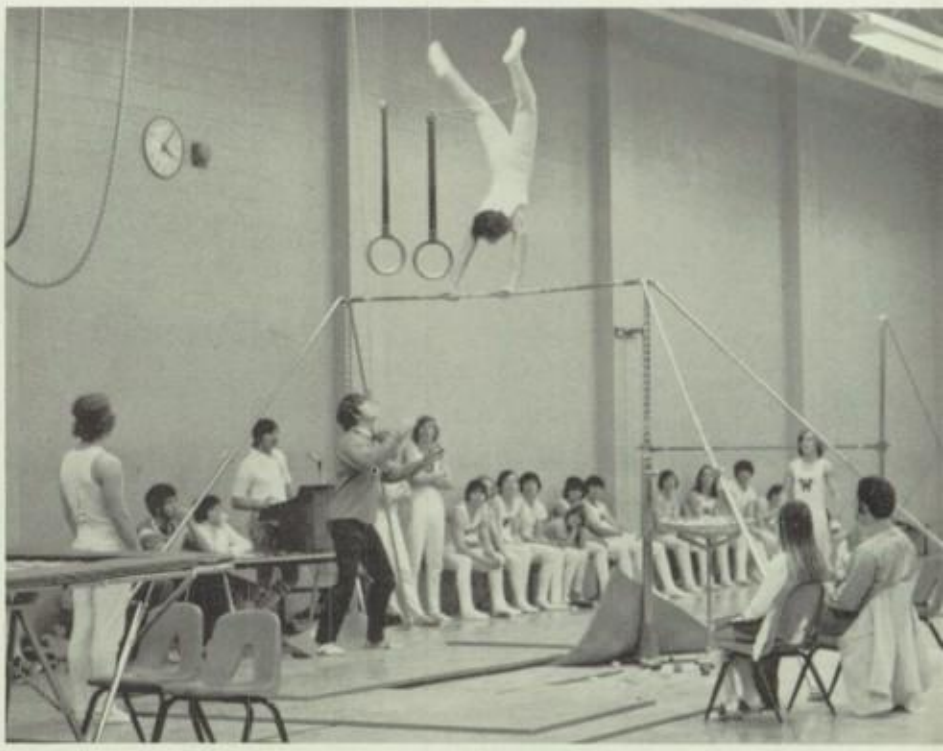
The gymnastics team was better than ever this year with another perfect season, plus the County title. The team just gets better every year, and we can't wait to see where they go from here.



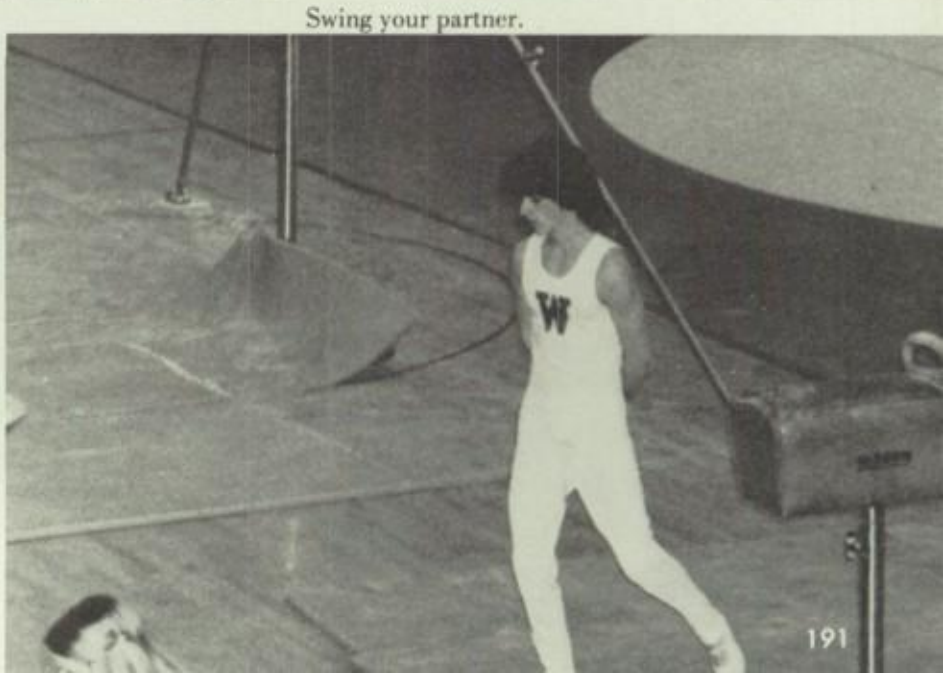
Next time I'll try Mark Eden.



Helps build bodies ten ways.



Swing your partner.



Varsity Girls' Gymnastics

That's not the way you do a somersault.

Placing in the County Meet were: T. Saylor, C. Schlerf, D. Chapman, C. Hoddinott, and B. Martin.

Wait till you see my next trick!

And this will help me lose weight!?

Front Row: C. Baldwin, C. Bartlett, D. Anway, C. Tulley, B. Martin. *Second Row:* R. Zumbrum, M. Hering, J. Malinowski, B. Hiatt, B. Hyle, C. Boyd. *Back Row:* M. Martin, D. Chapman, M. Via, C. Hoddinott, Coach D. Fleming, C. Schlerf, L. Jones, T. Saylor, K. Jenness.

The combination of grace and co-ordination marks the success of the girls' gymnastics team. Year after year, the difficulty of the routines mounts while the skill with which our girls perform them increases.

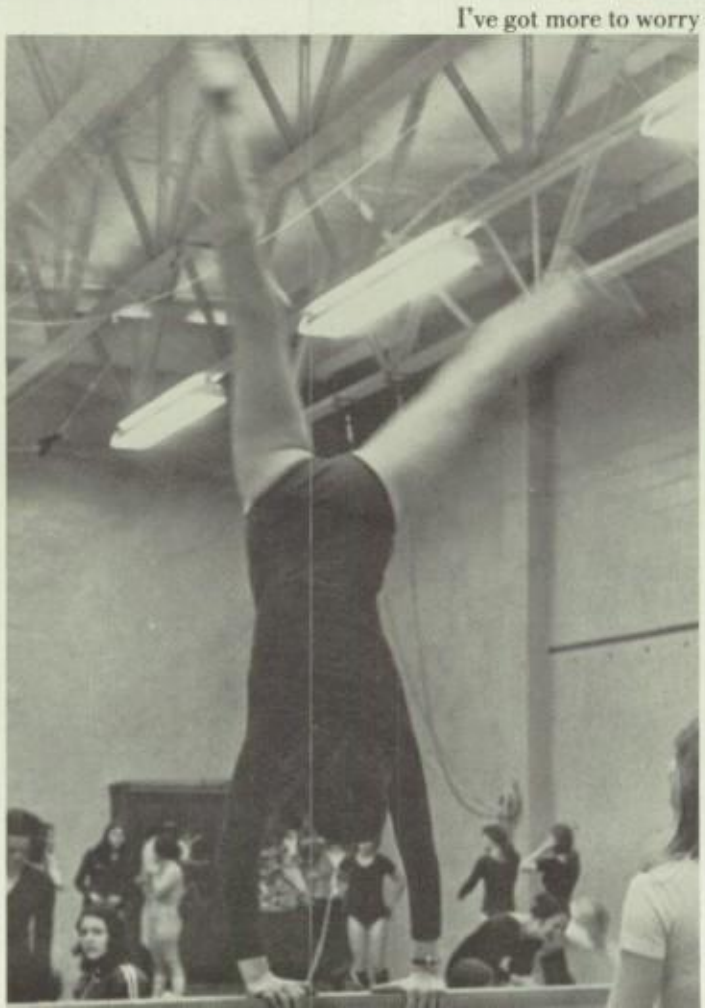
Cheryl Schlerf

Cindy's hung up.

I'll beat that Olga Korbut someday.

I've got more to worry about than combing my hair.

She'll show you the *right* way.



You can bend, but never break me.

Girls' Varsity Basketball

I hope it works!

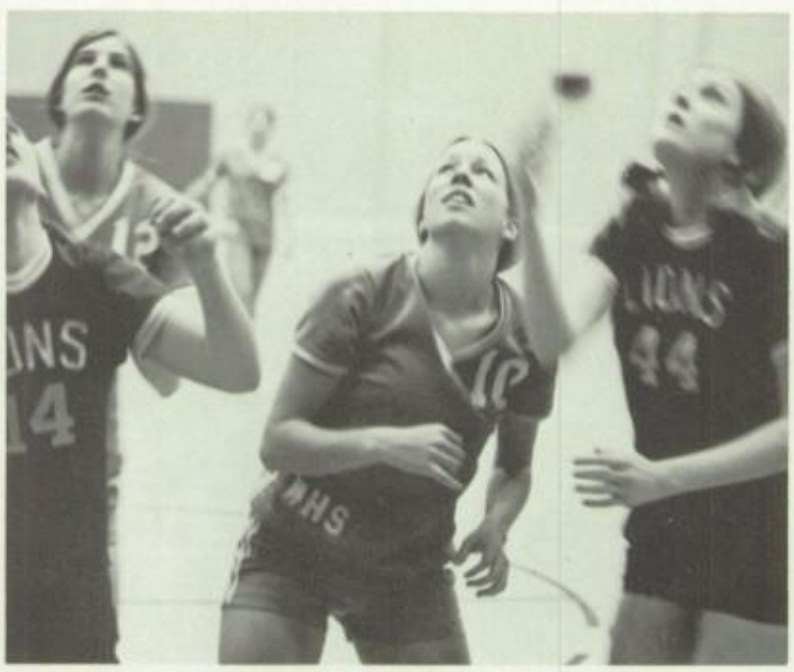
MacGregors work wonders.

ZZZzzz . . .

Front Row: D. Boone, S. Staup, R. McNamara. *Second Row:* C. Hoddinott, T. Coppersmith, E. Long, D. Ripley, D. Kram, K. Hale. *Third Row:* Coach D. Cook, Manager S. Marquardt, K. Harman, B. Martin, D. Beaver, Managers T. LiVolsi, J. Settle.

One of the most popular girls' sports is basketball. Hours of running, rebounding, and anything else you can do to practice was done by this crew as they prepared for their games. The record shows that it all paid off in their winning season.

We got this one from the Globe Trotters.



They must have filled that ball with helium!

Indoor Track

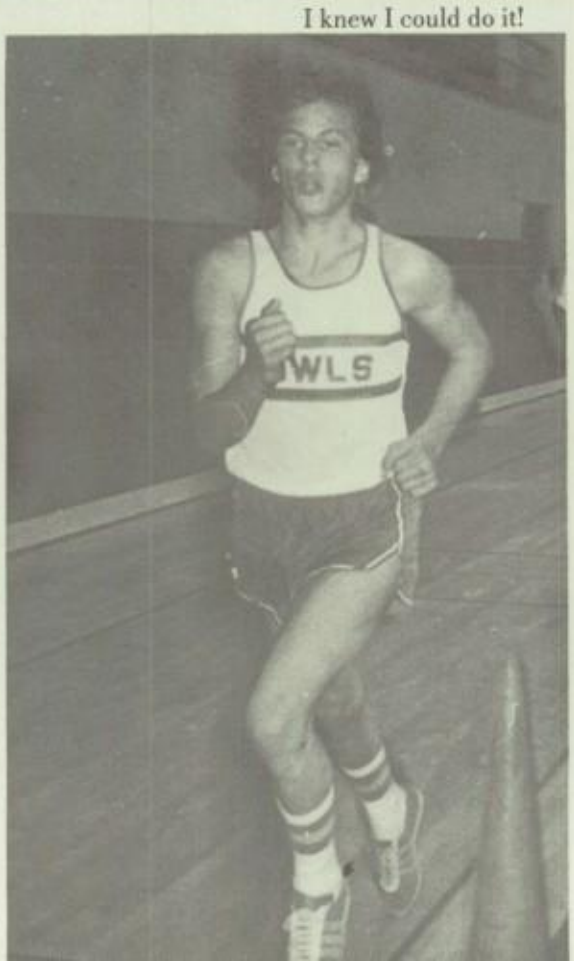
Front Row: J. Vassallo, V. Cook, K. Green, F. Marquardt, J. Carver. *Second Row:* S. Shipley, K. Yingling, R. Davis, B. Leister, S. Wood, D. McCormick. *Back Row:* R. Williams, K. Gillingham, B. Wike, D. Stover, B. Zepp, L. Brown, D. Brauning, Coach J. Shank.

False start? It wasn't me this time!!

I knew I could do it!

Move over, it's Stover.

Made it with inches to spare.



Look Ma, no hands.

Baseball

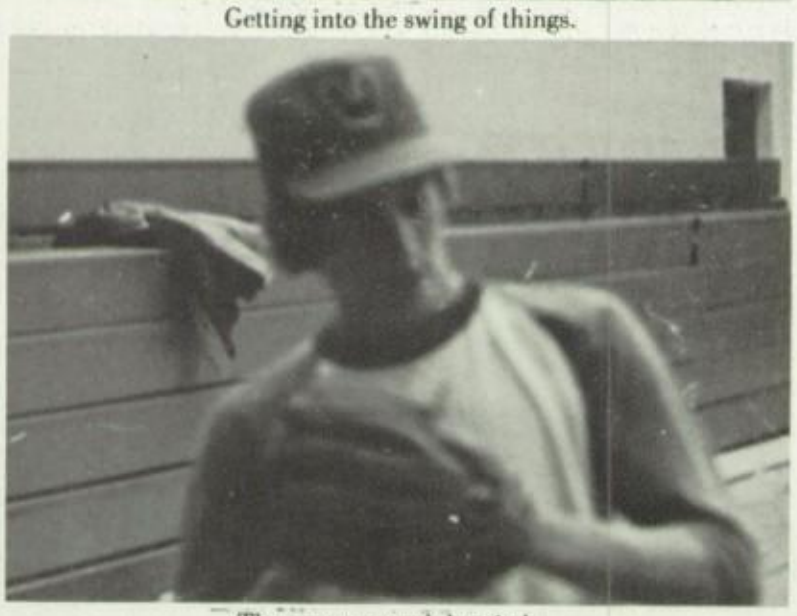
Springing into action at the end of the year is the baseball team. The fighting Owls swing and slug their way through their opponents' most determined efforts. Naturally, the Owls end up on top.

Front Row: W. Toporzycki, R. Warner, B. Gist, K. Gillingham, R. Weaver, S. Shelley, D. Bair. *Second Row:* J. Shugars, M. Godwin, D. Tibbs, M. Schaefer, B. Wagner, T. Senseney. *Third Row:* S. Young, B. Harman, M. Peeling, K. Moyers, B. Frick. *Back Row:* Coach G. Stull, K. Smith, D. Strine, Coach R. Repsher.

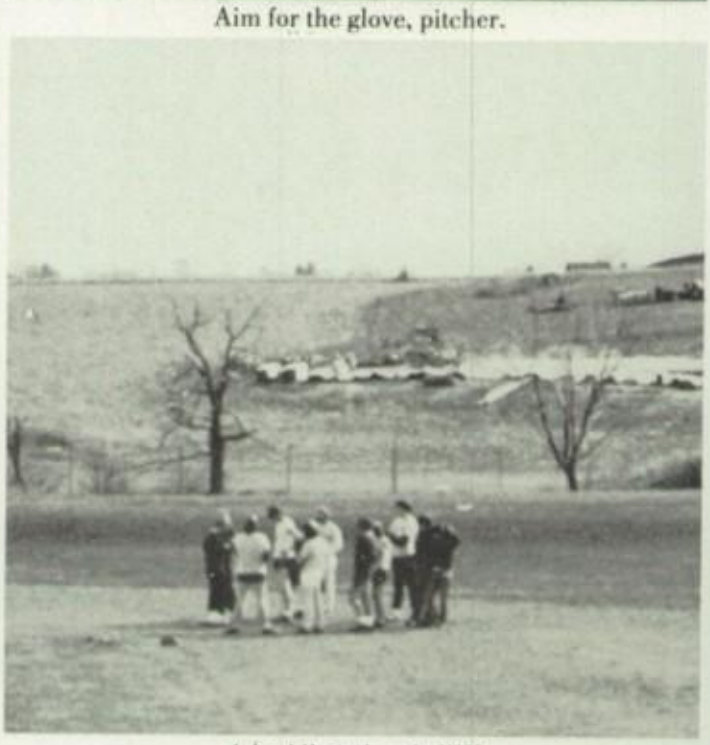
Strike 3 — you're out!

Getting into the swing of things.

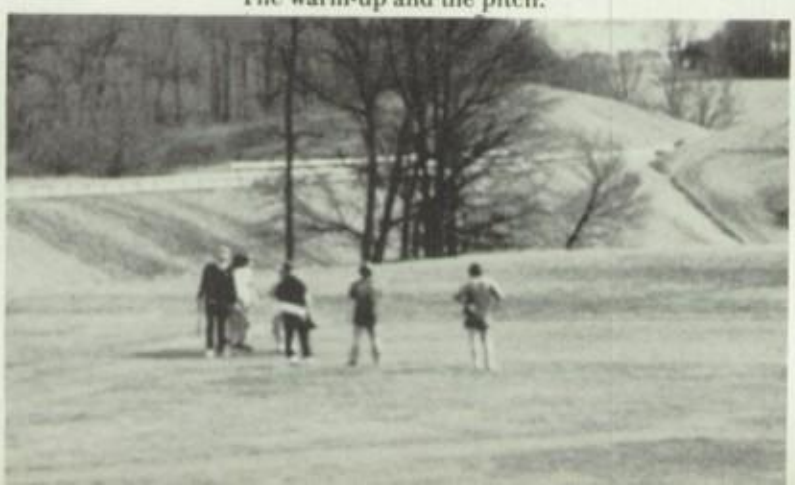
Aim for the glove, pitcher.



The warm-up and the pitch.



A huddle in baseball???



Tennis

Chris Everett beware.

Don't laugh, it works.

That one's gotta be in!

Front: S. Lawson, E. Flanagan. *Kneeling:* C. Hoddinott, L. McIntire, S. Marquardt, J. Haifley, F. Coleman, G. Blaylock, T. Seipp, L. Snyder. *Back Row:* Coach S. Hooper, B. Lichtfuss, K. Anway, M. Reaves, K. Seitz, J. Jones. *Missing:* J. Packer, K. Apple, D. Hollinger, A. Burgher, B. Dayhoff.

Serving up some great tennis action is the tennis team. Smashing their way through match after match, the team left a lot of their opponents deeply in love, and that's not a sign of affection.

I think I need my Ben Gay.

What a racquet!!

Got-cha!!!

Spring Track

It's some sight to watch these guys spring into action. The way that little gun scares them is incredible. Some of them run around the track four times or more before they stop. They don't even slow down to go around obstacles in their way; they just jump over them.

Here's hoping it's a record.

Judo or the shot?

On your mark, get set . . .

Geronimo . . .

Long distance is the next best thing.

Front Row: B. Cook, N. Elkins, D. McGinnis, A. Hagy, S. Shipley, D. Jones, S. Sharkey, M. Brewer, R. Erb, M. Ward, R. Davis, F. Fiore, G. Charms, R. Traskovitch, B. Sisler, J. Sipes, V. Cook, Coach J. Shank. *Second Row:* J. Norris, L. Brown, C. Biggus, S. McVicker, F. Marquardt, R. Hartless, B. Sullivan, D. Green, T. Sharkey, D. Brauning, K. Schulz, G. Keeney, B. Arbaugh, J. Vassallo, S. Gore, M. Snyder, Coach B. Wiedner. *Back Row:* D. Brothers, K. Green, E. Bauchman, B. Hamilton, D. Hiatt, J. Wiles, J. Ray, D. Stover, B. Zepp, B. Leister, J. Pickett, K. Yingling, S. Wood, D. Owings, J. Carver, D. Weisgerber, W. Welty.

Girls' Track

Spurning Keds, the Adidas shod track girls burned up the track in practice and competition. They let no hurdle stand in their way in their race to victory.

But my zipper's stuck.

Joni makes a handoff.

Front Row: D. Sloman, K. Kappas, J. Settle, D. Taylor, B. Patterson, L. Clear. *Second Row:* L. Willis, M. Davis, M. McGiver, D. Anway, K. Kappas, C. McGee, L. Baker. *Third Row:* W. Peters, D. Johnson, T. Strauss, S. Conover, J. Buellis, C. Grove, R. Boyle. *Back Row:* Coach D. Cook, B. Martin, T. Groft, T. Barnes, T. Coppersmith, J. Eckard, L. Bowersox.

Run for the health of it.

Put it there, Beth!

I can fly!!

Fall

Left to Right: K. Leppo, D. Boone, P. Myers, M. Podolak, Captain L. Snyder, L. MacKenzie, B. Bond, R. Peron, D. Causey.

The fall varsity cheerleaders were always there on the scene at football, hockey, soccer and volleyball games. "Where's our band?" "Raincoats, spirit and spunk!" They always helped the school's spirit and cheered our team on to victory.

Cheerleaders

Front: P. Mills. *Left to Right:* A. Jones, C. Clingan, M. Rohrer, L. Belzer, G. Barrick, H. Brown, S. Cowen, A. Dedmon.

Winter

Basketball, wrestling, indoor track, and gymnastics matches were spirited along by Captain Andrea and her crew. Inspiration, dedication, and hard work combined to urge the Owls through thick and thin to victory.

J.V. Cheerleaders

Fall

An important part of our J.V. effort is supplied by the J.V. Cheerleaders. Football, soccer, hockey and other sports benefited from the spirit of these girls, and look at their records. Need we say more?

Left to Right: B. Bode, R. Zumbrum, M. Hering, M. Dull, B. Hyle, G. Eaton, C. Sackett, G. Blaylock, M. Crowl.

Winter

J.V. games don't attract all the attention they should, but you wouldn't know from watching these girls in action. Success has become almost routine for them, we hope they won't have to change next year. With their enthusiasm, they won't.

Left to Right: P. Tobery, N. Armacost, R. Crowl, C. Kane, C. Warner, B. McKenzie, T. Slaughter, P. Sapp, M. Lockard.

Spring Cheerleaders

FRONT: B. Hiatt, P. Knoll. *KNEELING:* D. Jones, P. Rainey, K. Walter, C. Bollinger. *BACK ROW:* L. Jones, Capt. P. Cook, B. Lyons, T. Grimes.

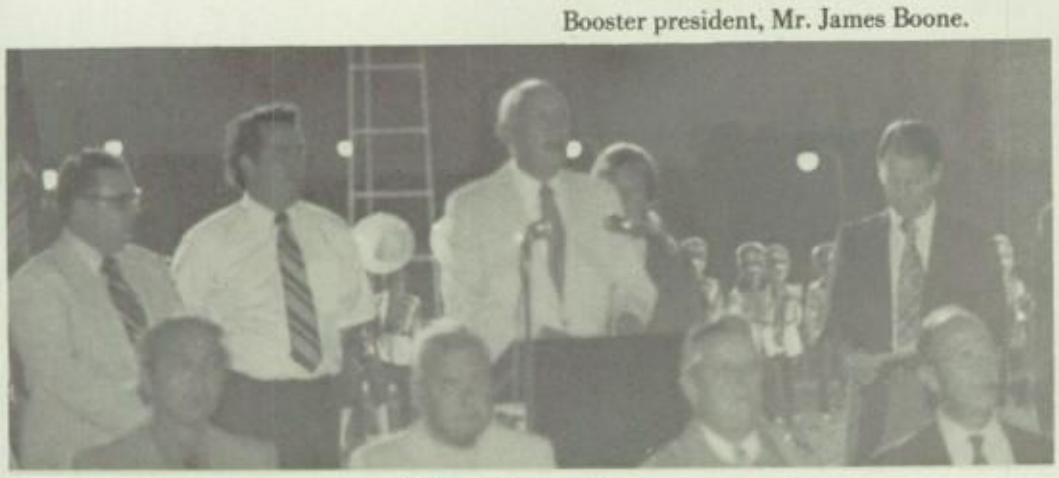
Handling the cheers and yells for spring was this group of peppy people. Baseball, track, and lacrosse benefited from their excellent exertions at the games and pep rallies of the last months of the year.

Are you satisfield?

Dedication

After putting up with Saturday afternoon games, and home games away at Ruby Field, the WHS Athletic Boosters collected the money to move our lights to the new Westminster High School Memorial Field. With the help of the Board of Ed., the WHS Band, and the crowd for the football game, the Boosters dedicated the lights, and presented them to the Board of Education of Carroll County.

Booster president, Mr. James Boone.



Principal Norris Weis.

Honored guests and the Color Guard.

together
we created a book
to hold
those memories
which we had made
together
not only a book
but friendships
were formed
individuals affirmed
bonds secured
talents surfaced
unique
forces generated
moments
that will never again
be duplicated
for we were one
for but a moment
we were one
though we may leave this building
though we may separate from each other
this building can never leave us
nor the memories be pried away
memories hold fast
memories never forget
it is this now
memories
that we wish for you
the seedlings of friendship
that we gave
with the passing of this task
unto you
and a hope
that this year
these people
each tearful joy
will remain with you
throughout
amidst
beside
the many others
left
to come

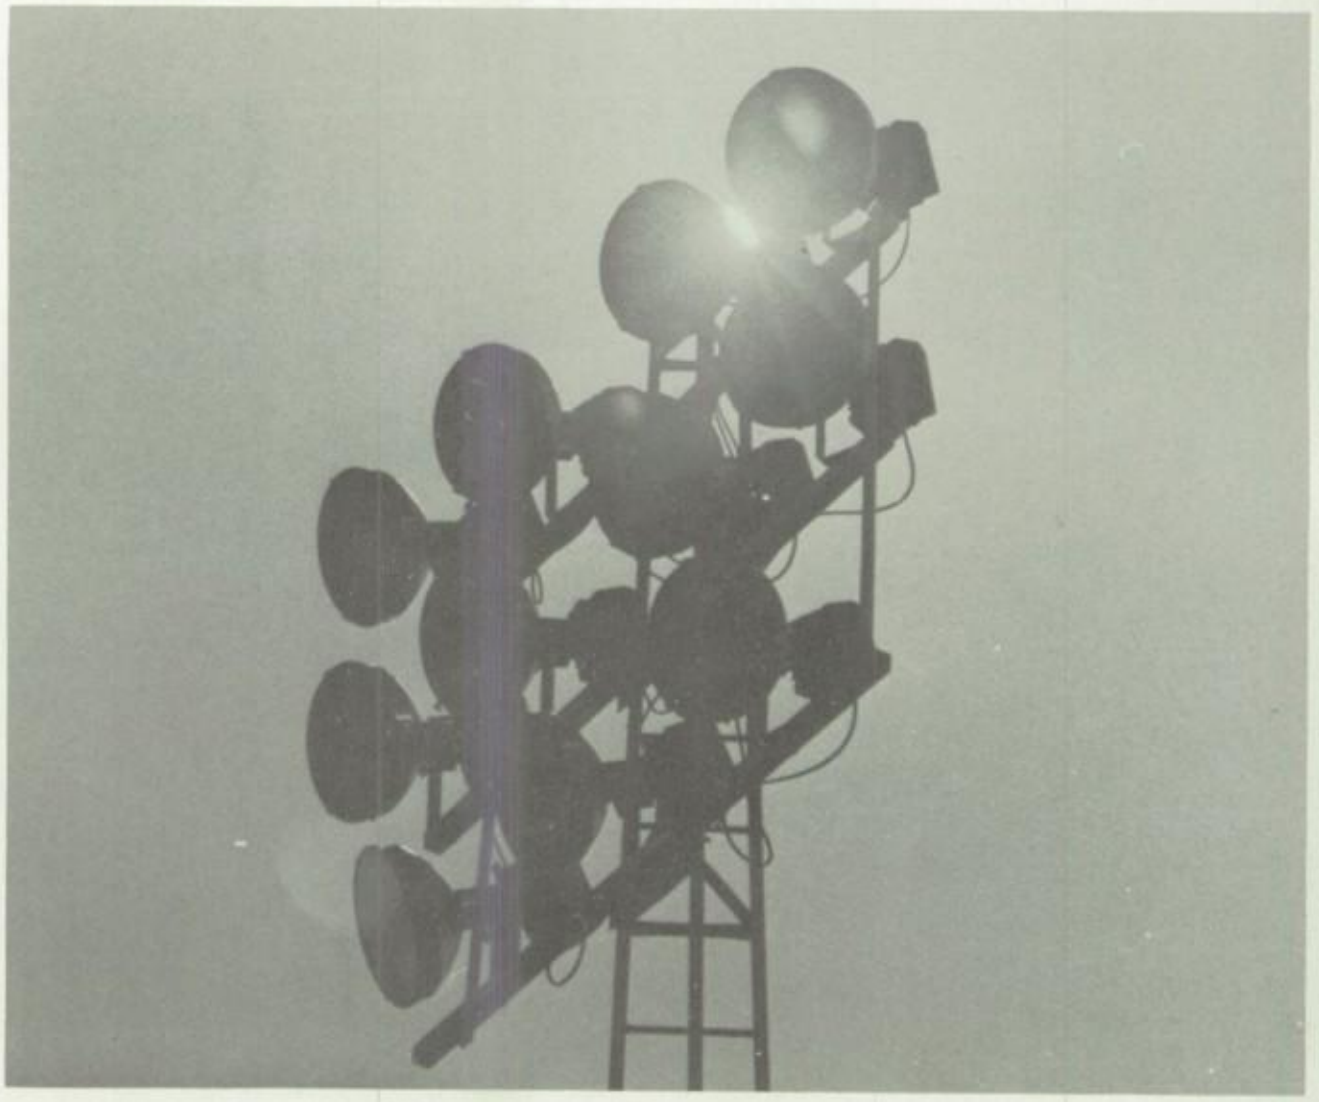
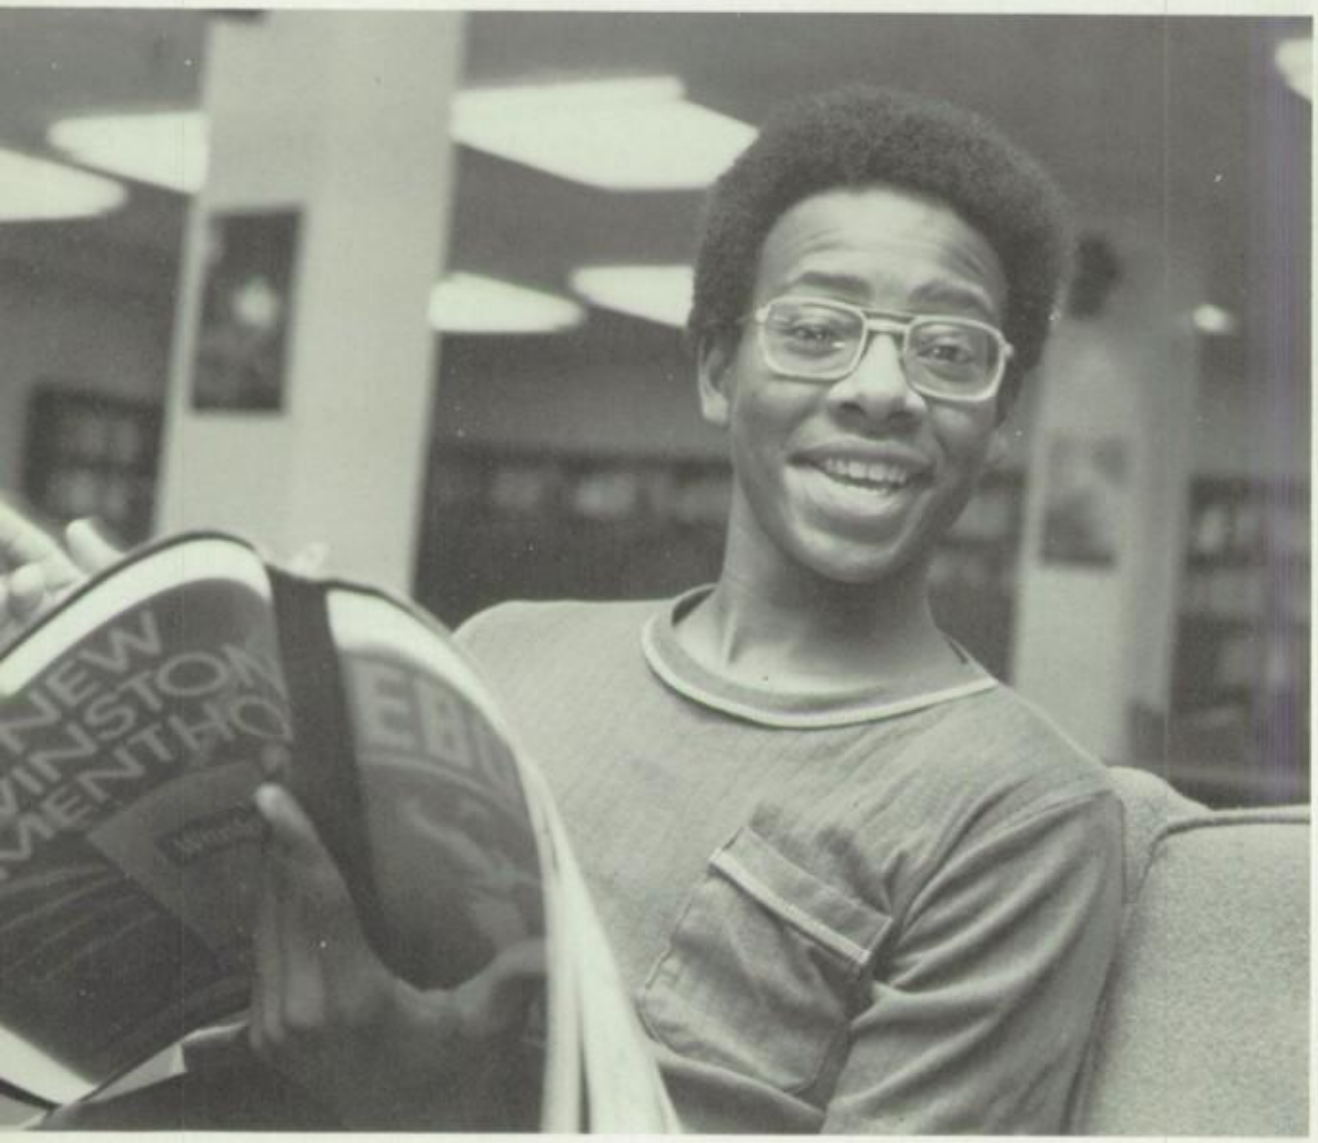
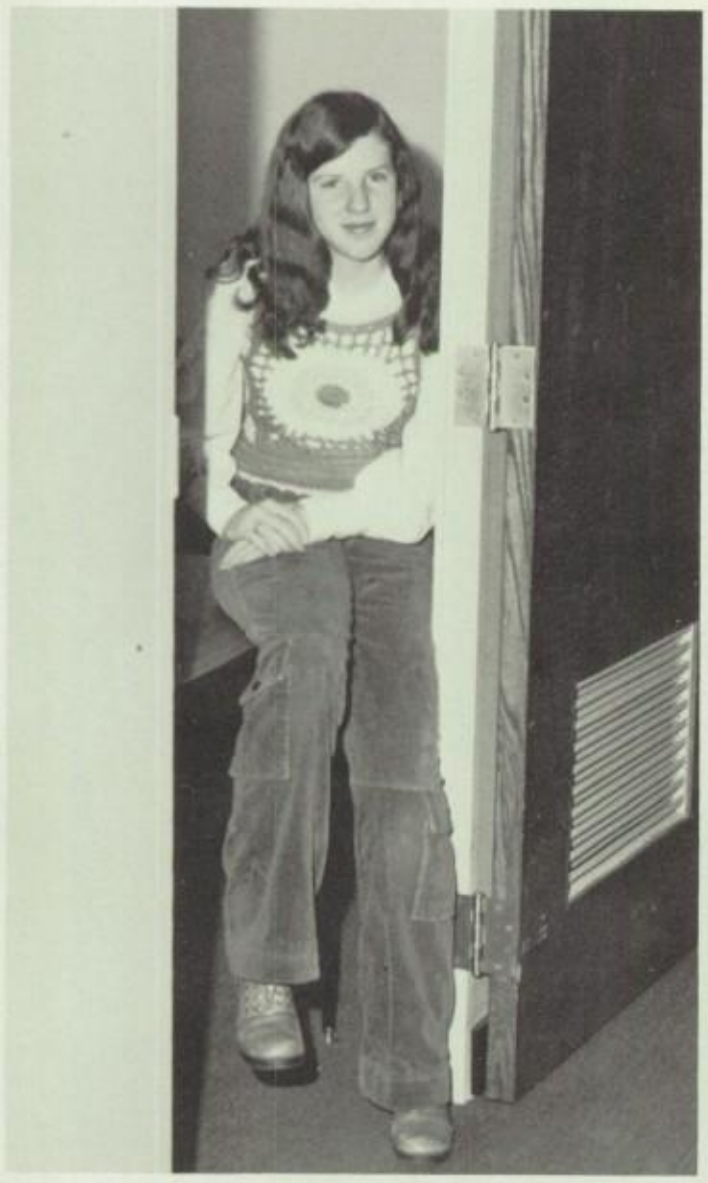
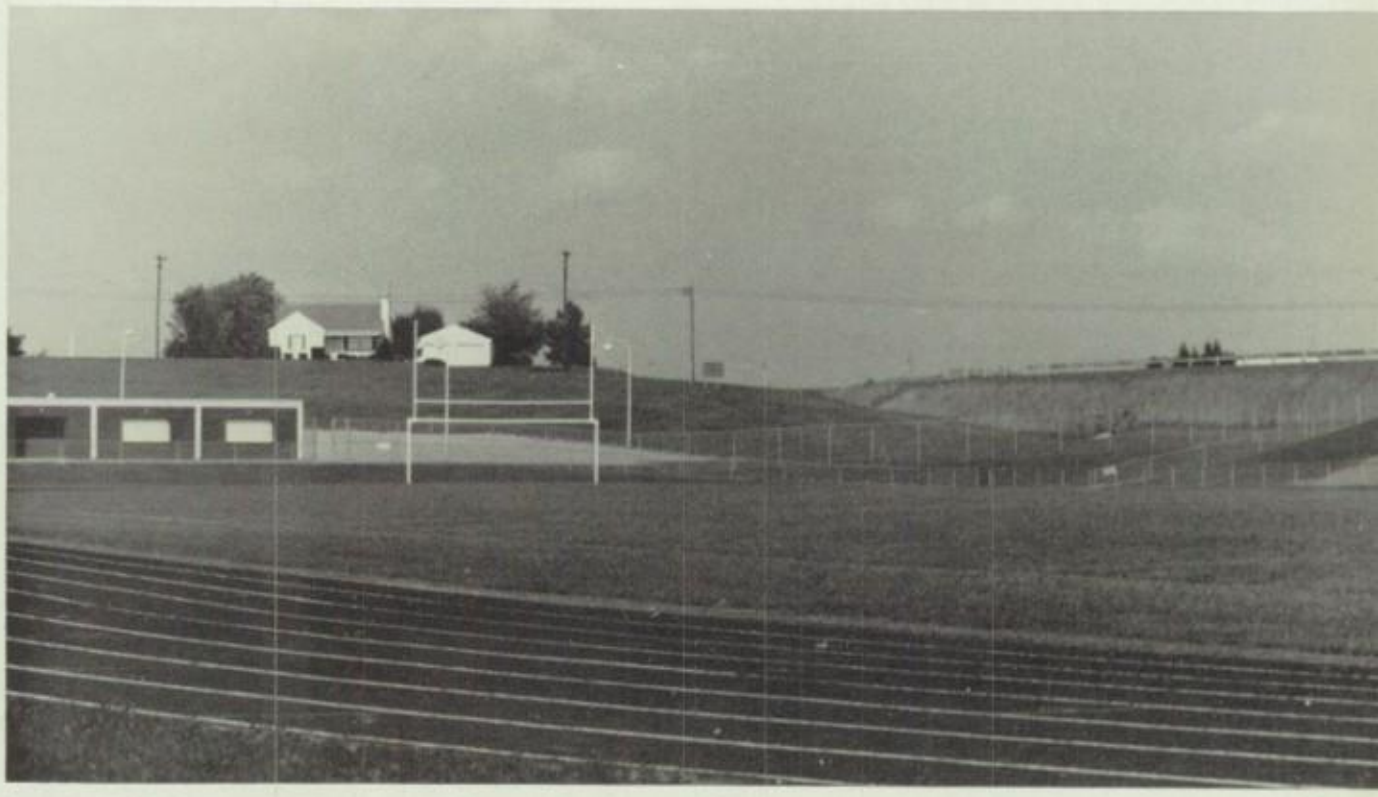
Mrs. Harbaugh

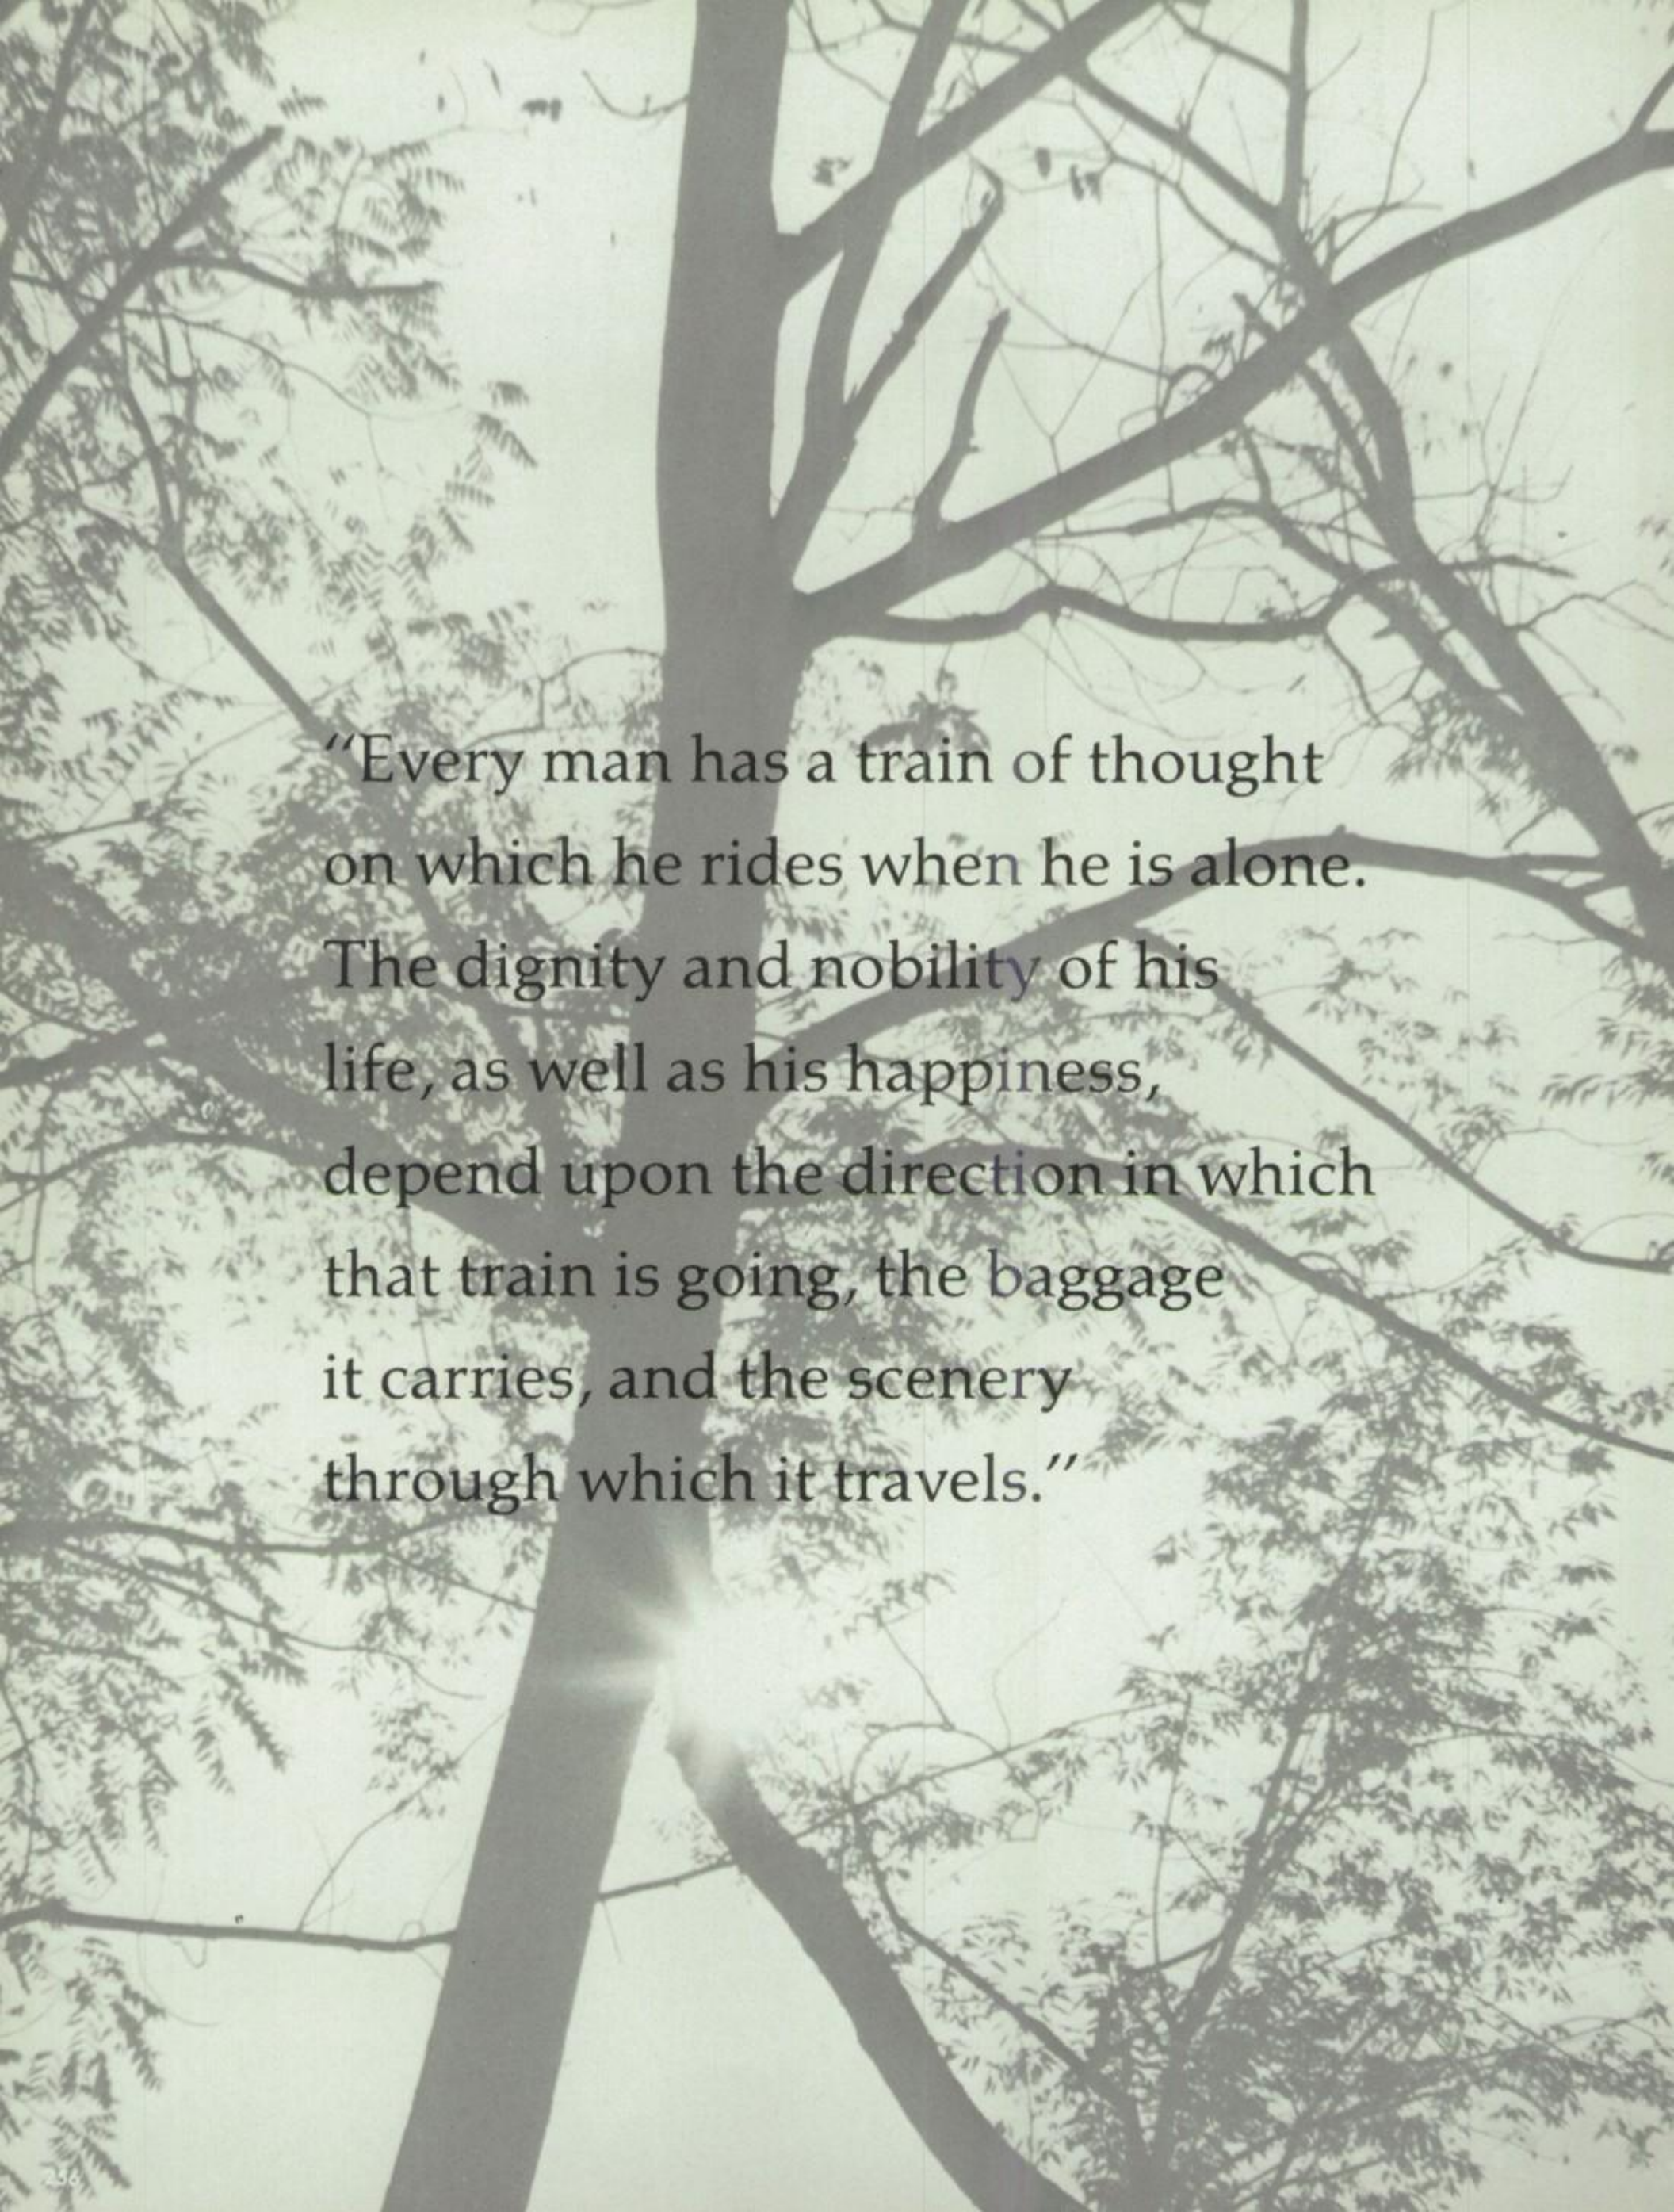




This idea of individualism
can most aptly be conveyed
through the words
and wisdom of
Joseph Fort Newton:







"Every man has a train of thought
on which he rides when he is alone.
The dignity and nobility of his
life, as well as his happiness,
depend upon the direction in which
that train is going, the baggage
it carries, and the scenery
through which it travels."
